

Jefferson County
Board of Commissioners
Agenda Request

To: Board of Commissioners
Mark McCauley, County Administrator

From: Monte Reinders, P.E.
Public Works Director/County Engineer 

Agenda Date: June 12, 2023

Subject: Contract with Wash. State Dept. of Transportation (WSDOT) for
Pavement Marking on Various Western Jefferson County Roads

Statement of Issue:

Approval of this agreement is necessary to procure WSDOT services for pavement marking on four (4) Jefferson County roads that intersect Hwy-101 in Western Jefferson County.

Analysis/Strategic Goals/Pro's & Con's:

Annual lane striping services will typically occur between July 1 and October 15 of each year for a period of five (5) years from the date of agreement execution.

Fiscal Impact/Cost Benefit Analysis:

It is in the interest of the County to obtain these cost effective services from WSDOT striping crews working in the vicinity of these western roads, rather than to pay the costs associated with transferring a contractor's striping operations from the east end of the County to the remote west end. Estimated costs for described services are \$18,500.00 per year with a maximum 15% contingency. Funds are accounted for in the annual PW maintenance budgets.

Recommendation:

Public Works recommends the Board approve this agreement with WSDOT and sign the attached contract document where indicated, and then return to Public works for further processing.

7.1 Amendment: This Agreement may be amended or modified only by the mutual agreement of the Parties. Such amendments or modifications shall not be binding unless they are in writing and signed by persons authorized to bind each of the Parties.

Neither Party will be required to indemnify, defend, or save harmless the other Party if the claim, suit, or action for injuries, death, or damages (both to persons and property) is caused by the sole negligence of the other Party. Where such claims, suits, or actions result from the concurrent negligence of the Parties, their agents, officials or employees, and/or involve those actions covered by RCW 4.24.115, the indemnity provisions provided herein will be valid and enforceable only to the extent of the negligence of the indemnifying Party, its agents, officials or employees.

This indemnification and waiver will survive the termination of this Agreement.

7.10 Disputes: In the event that a dispute arises under this Agreement, it shall be resolved as follows: WSDOT and the Agency shall each appoint a member to a Dispute Board, these two members shall select a third board member not affiliated with either Party. The three-member board shall conduct a dispute resolution hearing that shall be informal and unrecorded. The Parties shall equally share in the cost of the third Dispute Board member; however, each Party shall be responsible for its own costs and fees.

An attempt at such dispute resolution in compliance with aforesaid process shall be a prerequisite to the filing of any litigation concerning the dispute.

7.11 Venue: In the event that either Party deems it necessary to institute legal action or proceedings to enforce any right or obligation under this Agreement, the Parties agree that any such action or proceedings shall be brought in the superior court situated in Thurston, Washington unless filing in another county is required under any provision of the Revised Code of Washington.
