PROCLAMATION

WHEREAS, every day, millions of Americans provide essential care and medical assistance to their loved ones. These acts of love, commitment, and compassion enable their family members to receive the support they need to live a life with dignity; and

WHEREAS, this has been especially true throughout the COVID-19 pandemic, during which Americans of all ages have made substantial sacrifices to keep family members safe and healthy; and

WHEREAS, during National Family Caregivers Month, we recognize the important role of our Nation's family caregivers and thank them for the invaluable and instrumental care they provide; and

WHEREAS, while the opportunity to provide care to a loved one can be a blessing and a source of connection, it often requires sacrifice; and

WHEREAS, millions of Americans have sacrificed jobs and altered careers in order to perform caregiving duties; and

WHEREAS, workers, their families, and our economy suffer when workers are forced to choose between their jobs and their caregiving responsibilities or between putting food on the table and caring for a relative; and

WHEREAS, too many Americans who need caregiving support struggle with the high costs of caring for a family member in need, or providing long-term care for people with disabilities or older adults; and

WHEREAS, we understand the struggles family caregivers face and the importance of the care they provide. This month, as we continue our fight to expand access to caregiving, we recognize our caregivers who wake up every single day to do this physically and emotionally demanding yet vitally important work;

NOW, THEREFORE, Jefferson County Board of Commissioners hereby proclaim the month of November, 2022, as

Family Caregiver Month

We encourage all Americans to reach out to those who provide care for their family members, friends, and neighbors in need, to honor and to thank them.

PROCLAIMED this 7th day of November, 2022.
