RE: Workshop: American Rescue Plan Act (ARPA) and County Capital Fund Projects

STATEMENT OF ISSUE:

The County recently received its first tranche of ARPA revenue sharing funds of approximately \$1.692 million. The Board of County Commissioners should consider previously made funding commitments for ARPA and County capital funds and potentially make changes to projects funded by both funding sources.

ANALYSIS:

The workshop will review previously funded projects, highlight changes made since the last workshop and will discuss additional project funding ideas.

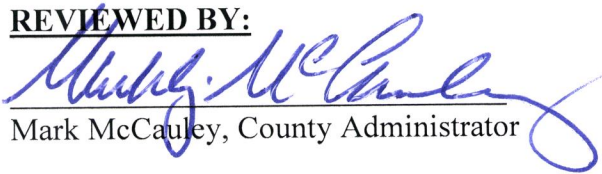

FISCAL IMPACT:

This workshop has no fiscal impact itself however decisions made during the workshop will have fiscal impacts which will be made known during subsequent staff and Board actions.

RECOMMENDATION:

That the Board of County Commissioners conduct the workshop, listen to staff recommendations and provide direction to staff regarding both ARPA and County capital funds.
