Program Overview

Clallam County Juvenile and Family Services (CCJFS) was awarded a two-year grant from Washington Health Care Authority's Division of Behavioral Health and Recovery to re-fortify community coalition-led efforts to prevent underage substance use and promote youth mental health in Port Angeles. The Port Angeles Healthy Youth Coalition (PAHYC) is one of the newest additions to this state-wide Community Prevention and Wellness Initiative (CPWI), a proven model for sustaining a healthy and safe environment where young people thrive, without substance use and unaddressed mental health concerns.

Our efforts grow out of the recognition that most Port Angeles young people are healthy and safe, and still improvements can be made to prevent incidents of high-risk behaviors, like underage substance use and driving under the influence. The funding utilizes a community coalition structure to motivate collaboration between several existing youth-serving organizations, parents, and youth to determine how we can do better for our young people. In the long term, prevention has been shown to have the greatest impact in reducing harm from substance misuse and abuse and reducing the number of people experiencing addiction. Successful prevention requires the greatest amount of commitment and collaboration across all sectors of the community, over a sustained period of time to show significant results.

Proposed Key Activities

The PAHYC has been approved under the CPWI model, with direct approval from Washington Health Care Authority's Division of Behavioral Health and Recovery to implement Nurse Family Partnership. Nurse-Family Partnership is for first-time parents who are: (1) pregnant with their first child and (2) meet income requirements in Clallam County.

Nurse-Family Partnership is for first-time parents who are: (1) pregnant with their first child and (2) meet income requirements in Clallam County. A highly trained nurse meets remotely or in person with first-time parents to offer knowledge and support throughout pregnancy and until the child reaches two years of age. An NFP nurse starts working with the parent before birth to address questions and concerns, prepare the parent for childbirth, and help ensure that the delivery of a healthy baby. After the baby is delivered, the NFP nurse who helped during your pregnancy is still with the parent to offer support and answer questions about the baby, coach on child development, empower parents to believe in their ability to perform their new role as a parent successfully.

3. Delegation and Subcontracting. Contractor's services are deemed personal and no portion of this contract may be delegated or subcontracted to any other individual, firm or entity without the express and prior written approval of the County Project Manager.
4. Independent Contractor. The Contractor's services shall be furnished by the Contractor as an independent contractor and nothing herein contained shall be construed to create a relationship of employer/employee or master/servant.

The Contractor acknowledges that the entire compensation for this Agreement is specified in Attachment B and the Contractor is not entitled to any county benefits including, but not limited to: vacation pay, holiday pay, sick leave pay, medical, dental or other insurance benefits, or any other rights or privileges afforded to Clallam County employees. 8. Modifications. Either party may request changes in the Agreement. Any and all agreed modifications shall be in writing, signed by each of the parties.
9. Termination for Default. If the Contractor defaults by failing to perform any of the obligations of the contract or becomes insolvent or is declared bankrupt or makes an assignment for the benefit of creditors, the County may, by depositing written notice to the Contractor in the U.S. Mail, postage prepaid, terminate the contract, and at the County's option, obtain performance of the work elsewhere. If the contract is terminated for default, the Contractor shall not be entitled to receive any further payments under the contract. Any extra cost or damage to the County resulting from such default(s) shall be deducted from any money due or coming due to the Contractor. The Contractor agrees to bear any extra expenses incurred by the County in completing the work, including all increased costs for completing the work, and all damage sustained, or which may be sustained by the County by reason of such default.

10. Termination for Public Convenience. The County may terminate the contract in whole or in part whenever the County determines, in its sole discretion that such termination is in the interests of the County. Whenever the contract is terminated in accordance with this paragraph, the Contractor shall be entitled to payment for actual work performed for completed items of work. An equitable adjustment in the contract price for partially completed items of work will be made, but such adjustment shall not include provision for loss of anticipated profit on deleted or uncompleted work. Termination of this contract by the County at any time during the term, whether for default or convenience, shall not constitute a breach of contract by the County.
11. Termination Due to Insufficient Funds. If sufficient funds for payment under this contract are not appropriated or allocated or are withdrawn, reduced, or otherwise limited, the County may terminate this contract upon five (5) days written notice to the Contractor. No penalty or expense shall accrue to the County in the event this provision applies.
12. Termination Procedure. The following provisions apply in the event that this Agreement is terminated:
 - (a) The Contractor shall cease to perform any services required hereunder as of the effective date of termination and shall comply with all reasonable instructions contained in the notice of termination, if any.
 - (b) The Contractor shall provide the County with an accounting of authorized services provided through the effective date of termination.
 - (c) If the Agreement has been terminated for default, the County may withhold a sum from the final payment to the Contractor that the County determines necessary to protect itself against loss or liability.

13. Defense and Indemnity Agreement.

(a) The Contractor agrees to hold harmless, indemnify and defend the County, its officers, officials, employees and agents, from and against any and all claims, actions, suits, liability, loss, expenses, damages and judgments of any nature whatsoever, including reasonable costs and attorneys' fees in defense thereof, for injury, sickness, disability or death to persons or damage to property (including loss of use thereof) or business (including economic loss), caused by or arising out of the Contractor's acts, errors or omissions in the performance of the Contract. Provided, however, that the Contractor's obligation under this provision will not extend to injury, sickness, disability, death or damage caused by or arising out of the sole negligence of the County, its officers, officials, employees or agents.

(b) With regard to any claim against the County, its officers, officials, employees and agents by any employee of the Contractor, subcontractor, anyone directly or indirectly employed by any of them, or anyone for whose acts any of them may be liable, the indemnification obligation under this Section will not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for the Contractor or subcontractor under workers' compensation acts, disability benefit acts or other employee benefit acts. It is clearly agreed and understood by the parties to the Contract that the Contractor expressly waives any immunity the Contractor might have had under such laws. By executing the Contract, the Contractor acknowledges that the foregoing waiver has been mutually negotiated by the parties as is required by RCW 4.24.115, and that the provisions of this Section will be incorporated, as relevant, into any contract the Contractor makes with any subcontractor or agent performing work under the Contract.

(c) The Contractor's obligations under these provisions include, but are not limited to, investigating, adjusting, and defending all claims alleging loss from action, error or omission, or breach of any common law, statutory or other delegated duty by the Contractor, the Contractor's employees, agents or subcontractors.

14. Industrial Insurance Waiver. With respect to the performance of this Agreement and as to claims against the County, its appointed and elected officers, agents and employees, the Contractor expressly waives its immunity under Title 51 of the Revised Code of Washington, the Industrial Insurance Act, as now or hereafter amended, for injuries to its employees and agrees that the obligations to indemnify, defend and hold harmless provided in this Agreement extend to any claim brought by or on behalf of any employee of the Contractor. Along with the other provisions of this Agreement, this waiver is mutually negotiated by the parties to this Agreement.

15. Venue and Choice of Law. In the event that any litigation should arise concerning the construction or interpretation of any of the terms of this Agreement, the venue of such action shall be in the courts of the State of Washington in and for the County of Clallam. This Agreement shall be governed by the law of the State of Washington.

16. Withholding Payment. In the event the County Project Manager determines that the Contractor has failed to perform any obligation under this Agreement within the times set forth in this Agreement, then the County may withhold from amounts otherwise due and payable to Contractor the amount determined by the County as necessary to cure the default, until the County Project Manager determines that such failure to perform has been cured. Withholding under this clause shall not be deemed a breach entitling Contractor to termination or damages, provided that the County promptly gives notice in writing to the Contractor of the nature of the default or failure to perform, and in no case more than ten (10) days after it determines to withhold amounts otherwise due. A determination of the County Project Manager set forth in a notice to the Contractor of the action required and/or the amount required to cure any alleged failure to perform shall be deemed conclusive, except to the extent that the Contractor acts within the times and in strict accord with the provision of the Disputes clause of this Agreement. The County may act in accordance with any determination of the County Project Manager which has become conclusive under this clause, without prejudice to any other remedy under the Agreement, to take all or any of the following

actions: (1) cure any failure or default, (2) to pay any amount so required to be paid and to charge the same to the account of the Contractor, (3) to set off any amount paid or incurred from amounts due or to become due the Contractor. In the event the Contractor obtains relief upon a claim under the Disputes clause, no penalty or damages shall accrue to the Contractor by reason of good faith withholding by the County under this clause.

17. Rights and Remedies. The duties and obligations imposed by this Agreement and the rights and remedies available hereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law.
18. Contractor Commitments, Warranties and Representations. Any written commitment received from the Contractor concerning this Agreement shall be binding upon the Contractor, unless otherwise specifically provided herein with reference to this paragraph. Failure of the Contractor to fulfill such a commitment shall render the Contractor liable for damages to the County. A commitment includes, but is not limited to any representation made prior to execution of this Agreement, whether or not incorporated elsewhere herein by reference, as to performance of services or equipment, prices or options for future acquisition to remain in effect for a fixed period, or warranties.
19. Patent/Copyright Infringement. Contractor will defend, indemnify and save harmless County, its appointed and elected officers, agents and employees from and against all loss or expense, including but not limited to claims, demands, actions, judgments, settlements, attorneys' fees and costs by reason of any and all claims and demands upon the County, its elected or appointed officials or employees for damages because of the Contractor's alleged infringement on any patent or copyright. The Contractor will pay those costs and damages attributable to any such claims that are finally awarded against the County, its appointed and elected officers, agents and employees in any action. Such defense and payments are conditioned upon the following:

(a) That Contractor shall be notified promptly in writing by County of any notice of such claim.

(b) Contractor shall have the right, hereunder, at its option and expense, to obtain for the County the right to continue using the information, in the event such claim of infringement, is made, provided no reduction in performance or loss results to the County.

20. Disputes:

(a) General. Differences between the Contractor and the County, arising under and by virtue of the contract documents shall be brought to the attention of the County at the earliest possible time in order that such matters may be settled or other appropriate action promptly taken. The records, orders, rulings, instructions, and decision of the County Project Manager shall be final and conclusive 30 days from the date of mailing unless the Contractor mails or otherwise furnishes to the County Administrator a written notice of appeal. The notice of appeal shall include facts, law, and argument as to why the conclusions of the County Project Manager are in error.

In connection with any appeal under this clause, the Contractor and County shall have the opportunity to submit written materials and argument and to offer documentary evidence in support of the appeal. Oral argument and live testimony will not be permitted. The decision of the County Administrator for the determination of such appeals shall be final and conclusive. Reviews of the appellate determination shall be brought in the Superior Court of Clallam County within 15 days of mailing of the written appellate determination. Pending final decision of the dispute, the Contractor shall proceed diligently with the performance of this Agreement and in accordance with the decision rendered.

(b) Notice of Potential Claims. The Contractor shall not be entitled to additional compensation or to extension of time for (1) any act or failure to act by the County Project Manager or the County, or (2) the happening of any event or occurrence, unless the

Contractor has given the County a written Notice of Potential Claim within 10 days of the commencement of the act, failure, or event giving rise to the claim, and before final payment by the County. The written Notice of Potential Claim shall set forth the reasons for which the Contractor believes additional compensation or extension of time is due, the nature of the cost involved, and insofar as possible, the amount of the potential claim. Contractor shall keep full and complete daily records of the work performed, labor and material used, and all costs and additional time claimed to be additional.

(c) Detailed Claim. The Contractor shall not be entitled to claim any such additional compensation, or extension of time, unless within 30 days of the accomplishment of the portion of the work from which the claim arose, and before final payment by the County, the Contractor has given the County a detailed written statement of each element of cost or other compensation requested and of all elements of additional time required, and copies of any supporting documents evidencing the amount or the extension of time claimed to be due.

21. Ownership of Items Produced. All writings, programs, data, art work, music, maps, charts, tables, illustrations, records or other written, graphic, analog or digital materials prepared by the Contractor and/or its consultants or subcontractors, in connection with the performance of this Agreement shall be the sole and absolute property of the County and constitute "work made for hire" as that phrase is used in federal and/or state intellectual property laws and Contractor and/or its agents shall have no ownership or use rights in the work.
22. Recovery of Payments to Contractor. The right of the Contractor to retain monies paid to it is contingent upon satisfactory performance of this Agreement, including the satisfactory completion of the project described in the Scope of Work (Attachment A). In the event that the Contractor fails, for any reason, to perform obligations required of it by this Agreement, the Contractor may, at the Director's sole discretion, be required to repay to the County all monies disbursed to the Contractor for those parts of the project that are rendered worthless in the opinion of the Director by such failure to perform.

Interest shall accrue at the rate of 12 percent (12%) per annum from the time the Director demands repayment of funds.

23. Project Approval. The extent and character of all work and services to be performed under this Agreement by the Contractor shall be subject to the review and approval of the Director or designee. For purposes of this Agreement, the Director is:

27. Standard of Care. The Contractor shall perform its duties hereunder in a manner consistent with that degree of care and skill ordinarily exercised by members of the same profession as the Contractor currently practicing under similar circumstances. The Contractor shall, without additional compensation, correct those services not meeting such a standard.
28. Time is of the Essence. Time is of the essence in the performance of this contract unless a more specific time period is set forth in either the Special Terms and Conditions or Scope of Work.
29. Notice. Except as set forth elsewhere in the Agreement, for all purposes under this Agreement, except service of process, any notices shall be given by the Contractor to the Director. Notice to the Contractor for all purposes under this Agreement shall be given to the person executing the Agreement on behalf of the Contractor at the address identified on the signature page.

If the Errors and Omissions or Professional Liability insurance obtained is an occurrence policy as opposed to a claims-made policy, the Extended Reporting Period Endorsement is not required.

Any such policy of insurance the Contractor is required to obtain and maintain pursuant to this Agreement shall be primary over any third party liability coverage provided to Clallam County by and through its membership in the Washington Counties Risk Pool or WCRP. The third party liability coverage provided by the WCRP to Clallam County shall be non-contributory with respect to any policy of insurance the Contractor is required to obtain and maintain pursuant to this Agreement. The County shall have no obligation to report occurrences unless a claim or lawsuit is filed with it and the County has no obligation to pay any insurance premiums.

Evidence of primary insurance coverage shall be submitted to the Director or designee within 20 days of the execution of the Agreement. The Agreement shall be void ab initio if the proof of coverage is not timely supplied.

If the proof of insurance or certificate of coverage indicating the County is an "additional insured" to a policy obtained by the Consultant in order to comply with this agreement refers to an endorsement (by number, abbreviation or name) but does not provide the full text of that endorsement, then it shall be the obligation of the Consultant to obtain the full text of that endorsement and forward that full text to the County within 30 days of the execution of this Agreement.

The coverage limits identified herein shall not limit the potential liability of the Contractor and the Contractor's duty to defend, indemnify, and hold harmless shall apply to any liability beyond the scope of insurance coverage.

☐ 3. Liquidated Damages. For delays in timely completion of the work to be done or missed milestones of the work in progress, the Contractor shall be assessed _____ Dollars (\$ _____) per day as liquidated damages and not as a penalty because the County finds it impractical to calculate the actual cost of delays. Liquidated damages will not be assessed for any days for which an extension of time has been granted. No deduction or payment of liquidated damages will, in any degree, release the Contractor from further obligations and liabilities to complete the entire project.
