

**JEFFERSON COUNTY  
BOARD OF COUNTY COMMISSIONERS**

**REGULAR AGENDA REQUEST**

**TO:** Board of County Commissioners

**FROM:** Mark McCauley, County Administrator

**DATE:** May 5, 2025

**SUBJECT:** Government to Government Meeting with Grays Harbor County, re: Lake Quinault South Shore Road

---

**STATEMENT OF ISSUE:**

Sam Kim, Grays Harbor County Administrator, reached out to Jefferson County on Tuesday, April 29<sup>th</sup> regarding the washout at milepost 1.3 on South Shore Road along the Quinault River. He suggested that our two counties send a joint letter addressing the washout to the leadership of the Olympic National Park and to the appropriate leaders of the State of Washington.

**ANALYSIS:**

Jefferson County is receptive to the joint letter idea and has scheduled a Government-to-Government meeting with the Grays Harbor Board of Commissioners to discuss the joint letter. During the meeting other potential strategies will be discussed that we could jointly use to gain some movement on funding for a repair of the sort that was used to repair the Upper Hoh Road washout.

**FISCAL IMPACT:**

None.

**RECOMMENDATION:**

Conduct the meeting and provide guidance to staff.

**REVIEWED BY:**
