Help After the Storm

Volunteers carry out 90% of the humanitarian work of the Red Cross. Whether helping one displaced family or thousands, providing care and comfort to an ill or injured service member or veteran, or teaching others how to respond in emergencies. The Red Cross responds to an emergency every 8 minutes, and our vital work is only possible because of people like you. Vaccination verification required for in-person roles.

Help can't wait during emergencies. Join us!
