If the Caswell-Brown Village is awarded HUD Continuum of Care Program funds, Jefferson County Commissioners commits to provide contributions worth \$1,500,000 over the next year to Olympic Community Action Programs.

Our contribution which includes purchase of the land, infrastructure costs, water/power/septic, and will be made available for use by OlyCAP during the 12-month period beginning February 1, 2022.

The amount of the contribution is based upon costs associated with constructing an open-air shelter to include 40 spaces for homeless to occupy which includes all infrastructure cost.

We agree to lease the land with the infrastructure to have 40 spaces for tiny shelters or RV/Trailer to Olympic Community action programs for Homeless individuals/families.

Sincerely,
