Contractor recognizes this waiver was specifically entered into under provisions of R.C.W. 4.24.115 and was subject of mutual negotiation. This section shall survive the expiration or termination of this Agreement.
12. Insurance. Before commencing work, Contractor shall obtain at its own cost and expense the following insurance coverage specified below and shall keep such coverage in force during the term of the Agreement.
 - a. Commercial Automobile Liability Insurance providing bodily injury and property damage liability coverage for all owned and non-owned vehicles assigned to or used in the performance of the work for a combined single limit of not less than \$500,000 each

Certificates of coverage as required by this section shall be delivered to the County within fifteen (15) days of execution of this Agreement.

- o. Contractor's liability insurance provisions shall be primary and noncontributory regarding any insurance or self-insurance programs covering the County, its elected and appointed officers, officials, employees, and agents.
- p. Any failure to comply with reporting provisions of the insurance policies shall not affect coverage provided to the County, its officers, officials, employees, or agents.

- q. Contractor's insurance shall apply separately to each insured against whom claim is made or suit is brought, except regarding the limits of the insurer's liability.
- r. Contractor shall include all subcontractors as insured under its insurance policies or shall furnish separate certificates and endorsements for each subcontractor. All insurance provisions for subcontractors shall be subject to all the requirements stated.
- s. The insurance limits mandated for any insurance coverage required by this Agreement are not intended to be an indication of exposure nor are they limitations on indemnification.

Certificates, insurance policies, and endorsements expiring before completion of services shall be promptly replaced. All the insurance policies required by this Agreement shall provide that thirty (30) days before cancellation, suspension, reduction or material change in the policy, notice of same shall be given to the Jefferson County Risk Manager by registered mail, return receipt requested.
- u. Contractor shall place insurance with insurers licensed to do business in the State of Washington and having A.M. - b. In the event of the death of a member, partner, or officer of Contractor, or any of its supervisory personnel assigned to the project, the surviving members of Contractor agree to complete the work under the terms of this Agreement, if requested to do so by the County. Replace damaged #2 & 3 brass strike wheels with old stock O.E.M. components. Ream & bush mounting blocks as needed. Reverse large brass wheel on cable drum to utilize unused side of teeth, machine to fit as needed.

This will bring all meshing wheels & pinions into proper cycloidal tooth profile as originally designed by manufacturer and with proper care, cleaning & oiling should keep the bell strike in order for many years. Re install Adjust & test for proper operation.

Note

This proposal is based on the use of sourced OEM. components from E. Howard co. however Howard produced this model #3 striker for over 50 years and there is the possibility of changes to the components that may make them unsuitable for said application. In the event that this were to occur new wheels would need to be custom made upon written approval which would add both time and cost (tbd) to the repairs.

A deposit of 50% is required to order up parts and schedule repairs. Completion to be within 60 days of receiving deposit. SCOPE OF WORK AND FEE SCHEDULE
