REGULAR AGENDA REQUEST

TO: Board of County Commissioners

FROM: Mark McCauley, County Administrator

WORKSHOP re: Olympic National Park Discussion with Kevin J. Killian, Deputy Superintendent, Olympic National Park

STATEMENT OF ISSUE:

Mr. Killian will join the Board of County Commissioners to discuss the Upper Hoh Road washout at or near milepost 9.7 and its impact on the Olympic National Park as well as the continued expansion of the washout on South Shore Road and the impacts on North Shore Road.

ANALYSIS:

The Olympic National Park draws hundreds of thousands of visitors every year, especially during the high season. The washed-out roads will have an adverse effect on the park and the surrounding community.

Likely discussion topics will likely include efforts to find funding sources so that the roads can be repaired in time to salvage the upcoming high season and priorities of ONP for the 2025 summer season.

FISCAL IMPACT:

None.

RECOMMENDATION:

Conduct the workshop and possibly provide guidance to staff.

Mark McCauley, County Administrator
