

2024 Work Plan Presentation

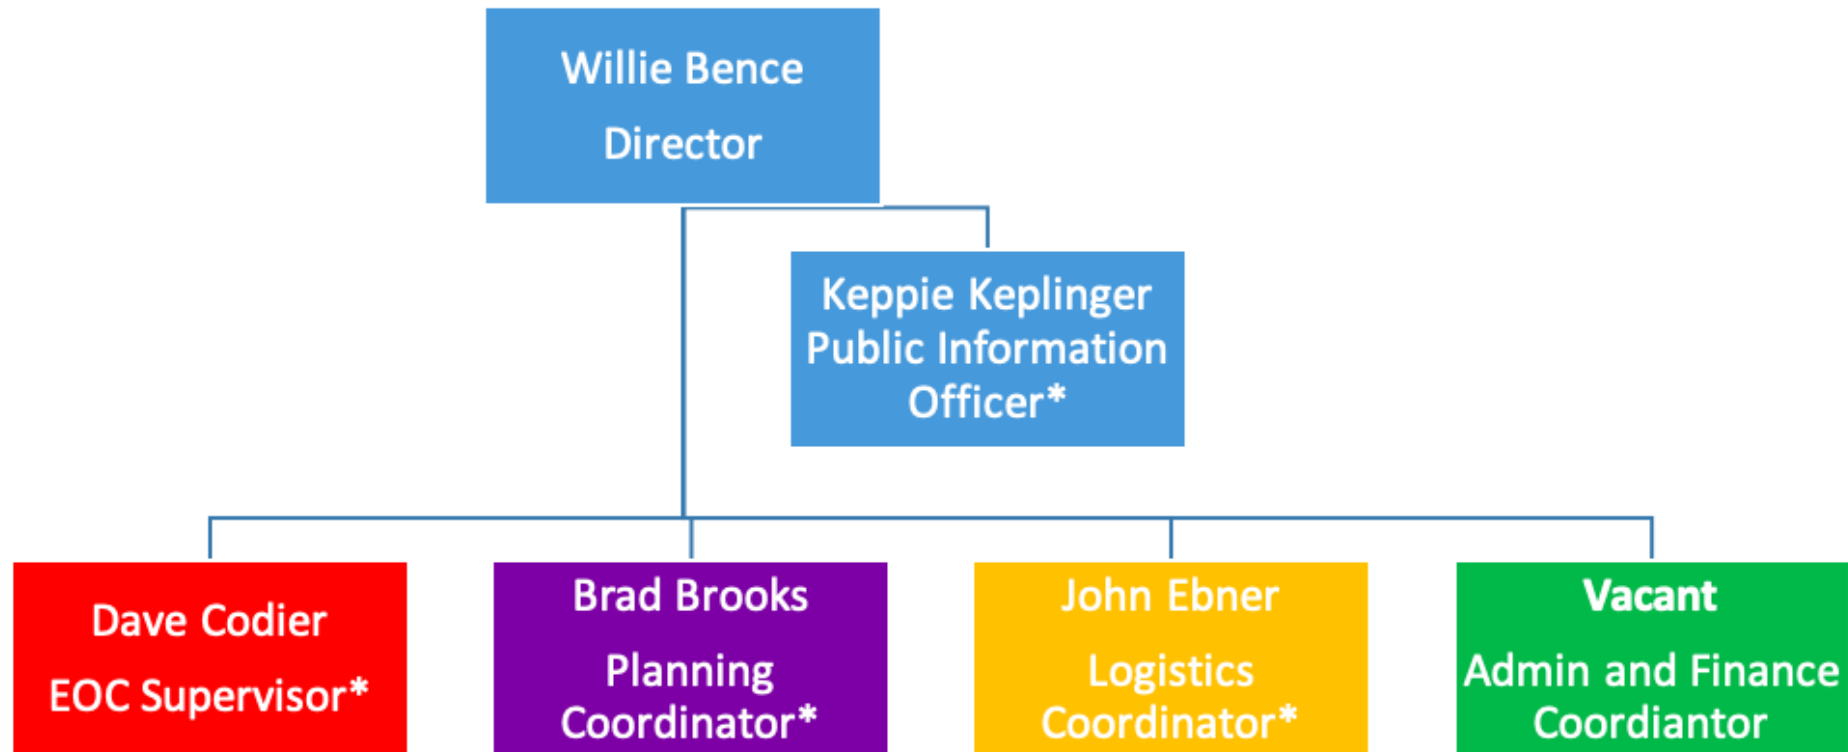

Tuesday February 20th, 2023

JEFFERSON COUNTY DEPARTMENT OF EMERGENCY MGMT.

Incident Command System

DEM Org Chart

Theme for 2023

▶ “Back to Basics”

2023 Year in Review

- ▶ Update badging and credentialing standards
- ▶ Implemented volunteer management database
- ▶ FEMA-approved Medical Reserve Corps Program, first grant
- ▶ Revamped NPREP programming, held ongoing conversations on preparedness messaging and structure
- ▶ Tsunami Tabletop Exercise
- ▶ First pre-summer "Heat Summit," annual pre-winter "Cold Summit," on-going work with PH on extreme weather response
- ▶ Finished first CERT academy pre-COVID
- ▶ COVID volunteer appreciation
- ▶ Integrated Critical Incident Stress Management Program under DEM
- ▶ 100+ trainees during Great Shakeout week
- ▶ EOC activation and first WEA usage for Beaver Valley fire

Theme for 2024

- ▶ **P**lanning
- ▶ **O**rganization
- ▶ **E**quipment
- ▶ **T**raining
- ▶ **E**xercise

Theme for 2024

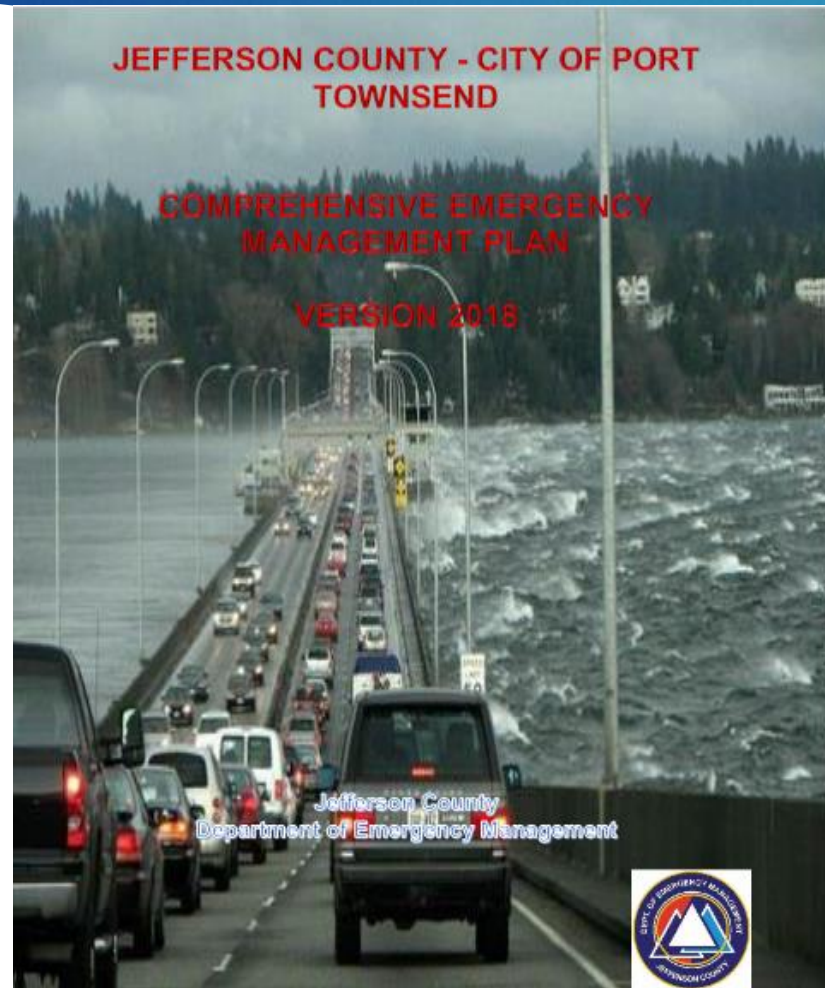

- ▶ **Planning**
- ▶ **Organization**
- ▶ **Equipment**
- ▶ **Training**
- ▶ **Exercise**

Planning

- ▶ Two major planning initiatives:
 - ▶ CEMP
 - ▶ LEPC

CEMP

Available for viewing at bit.ly/jeffcocemp

EMD Review

- ▶ The state Emergency Management Division reviews the CEMP, providing feedback in three tiers:
 - ▶ Tier 1 – Lawful Requirements
 - ▶ Tier 2 – State Recommendations
 - ▶ Tier 3 – Optional
- ▶ 2018 received 66% under old requirements; 44% under new
- ▶ State strives for 75%

What's Been Done so Far

1. EOC Conditions and Triggers have been developed and implemented
2. PIO has begun work and outreach on public comm's section
3. ESF 8 under development alongside Medical Reserve Corps
4. ESF 2 Comms Plan underway via VECOM, first draft complete
5. Responsibilities section reviewed and updated (federal, state, local, community, tribes)

What's Next

- ▶ Now through August
 - ▶ Individual Emergency Support Function outreach
 - ▶ Section by section plan review based on checklist
 - ▶ Review deficiencies from most recent checklist
 - ▶ Work with City to improve City/County coordination portion
- ▶ September – State review and socialization
- ▶ October through December – final changes and adoption

LEPC

- ▶ Local Emergency Planning Committees are established by WAC 118-40
- ▶ LEPCs are tasked with reviewing local inventories of hazardous materials (EPA Tier II reports) and developing a response plan
- ▶ Due to relatively low hazmat stock/risk, Jefferson County has never had an organized LEPC
- ▶ Targeting a late Q2 initial meeting to establish the committee and begin plan review
- ▶ Q3 - review plan and suggest changes
- ▶ Q4 - adoption

Organization

- ▶ IMT
- ▶ DART
- ▶ NPREP

*medical
reserve
corps*

Volunteer Reorg

- ▶ Volunteer working and coordination group
- ▶ Streamline resources around recruitment, training, administration
- ▶ Coordinate planning around new NPREP emergency “Hub” concept
- ▶ Consolidate resources around outreach and public education as it relates to individual preparedness
- ▶ Build leadership structure in overarching org and in individual groups
- ▶ Finish planning Q1
- ▶ Public rollout Q2

VECOM

- ▶ Update Communications plan, EOC protocol
- ▶ Work on EOC radio room to expand operator stations
- ▶ Pursue grants to expand comms capacity
- ▶ Establish new working groups and planning committees
- ▶ Work to support other volunteer orgs comm needs

Medical Reserve Corps

- ▶ Training on Stop the Bleed, NarCan, hands-only CPR, other disaster prep subjects
- ▶ Work with neighborhoods on Hub support
- ▶ Continued work on building supply caches, 2nd 10k grant just approved

CERT

- ▶ First CERT academy of the year started Saturday, 24 new recruits
- ▶ Begin training CERT for local, state, and national deployment through new FEMA typing
- ▶ Recruit leadership volunteers

NPREP

- ▶ All County Picnic - August 18th
- ▶ Restart neighborhood trainings
- ▶ Pursue grants and opportunities to build supply caches
- ▶ Revamped meeting structure and engaging new leadership volunteers

DART

- ▶ “Thunder Run” exercise - July 14th

Other Projects

- ▶ Great Shakeout - October 17th
 - ▶ Community outreach
 - ▶ Training
 - ▶ EOC Exercise

**What to do
during an
Earthquake:**

**Shake
Out**[™]

Register at www.ShakeOut.org

Other Projects

- ▶ Pre-summer coordination "summit" – early May
- ▶ Pre-winter coordination "summit" and storm response tabletop - early November
- ▶ Continued work with Ladris evacuation modeling; tsunami and wildfire evacuation tabletop discussions TBD
