

**JEFFERSON COUNTY
BOARD OF COUNTY COMMISSIONERS
WORKSHOP AGENDA REQUEST**

TO: Board of County Commissioners
FROM: Mark McCauley, County Administrator
DATE: May 19, 2025
SUBJECT: Workshop, re: All County Preparedness Day

STATEMENT OF ISSUE:

The County contracted with The Production Alliance (TPA) to plan and execute two very important community events. The first, which was hugely successful, was the Connectivity Summit conducted in early March.

The second event is the All-County Preparedness Day, which supersedes the former All-County Picnic. This event is planned for Saturday, June 28th.

ANALYSIS:

Danny Milholland with TPA has asked for a workshop with the Board to bring the Commissioners and staff are to speed on event details and to solicit input on the plan with enough time to make changes and/or incorporate any guidance received during the workshop.

Attached are two promotional promoting the event.

FISCAL IMPACT:

This workshop has no fiscal impact.

RECOMMENDATION:

Conduct the workshop, ask questions and provide guidance.

REVIEWED BY:

Mark McCauley, County Administrator

Date

ALL COUNTY PREPAREDNESS DAY

06.28.2025 | FINNRIVER | 9AM - 4PM

WHAT IS PREPAREDNESS DAY?

A **free** community celebration designed to inspire residents of East Jefferson County to learn about resilience and emergency preparedness. This is the first touchpoint on **Emergency Preparedness** for many local residents and a deep dive on skill building and resource sharing for those who are ready.

GOALS FOR PREPAREDNESS DAY

- Raise awareness of the importance of Emergency Preparedness
- Provide Access to EP resources and networks
- Build community / strengthen relationships
- Strengthening the working relationships among EP partners
- Strengthen community resilience in general
- Skill building for community members
- Reaching folks that have never been a part of the EP world is a priority

More broadly, over the next 5 years we seek to inspire every Jefferson County resident to prepare to survive without access to food, water and medical attention outside of their neighborhood. 3 Days prepared = Good, Two Weeks prepared = Better, 30 Days prepared = Best!

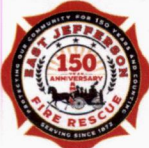

JOIN US

at Preparedness Day, where we bring together organizations dedicated to emergency preparedness and community resilience. This event offers a unique opportunity to connect with the public, share valuable resources, and strengthen our community's ability to respond to emergencies.

What is the All County Preparedness Day (ACP)?

A free community celebration designed to inspire residents of East Jefferson County to learn about resilience and emergency preparedness. This is the first touchpoint on Emergency Preparedness for many local residents and a deep dive on skill building and resource sharing for those who are ready.

Goals of ACP

- Raise awareness of the importance of Emergency Preparedness
- Provide Access to EP resources and networks
- Build community / strengthen relationships
- Strengthening the working relationships among EP partners
- Strengthen community resilience in general
- Facet skill building for community members
- Reaching folks that have never been a part of the EP world

More broadly, over the next 5 years we seek to inspire EVERY Jefferson County resident to prepare to survive without access to food, water and medical attention outside of their neighborhood. 3 Days - Good, Two Weeks - Better, 30 Days - Best.
