

**JEFFERSON COUNTY
BOARD OF COUNTY COMMISSIONERS**

WORKSHOP AGENDA REQUEST

TO: Board of County Commissioners

FROM: Mark McCauley, County Administrator

DATE: December 16, 2024

SUBJECT: **WORKSHOP** re: Naming a new trail section from the Hood Canal Bridge to a point somewhere on the existing Olympic Discovery Trail

STATEMENT OF ISSUE:

On September 26, 2024, Jeffrey Bohman wrote the Board of County Commissioners regarding naming a new section of trail being made possible through a successful RAISE grant application.

ANALYSIS:

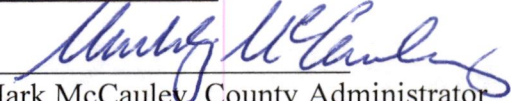

The new trail section will connect the Hood Canal Bridge to an as of yet to be determined point somewhere along the existing Olympic Discovery Trail. In his letter and speaking on behalf of the Peninsula Trails Coalition as their Board President he recommends that the new section be named the Olympic Discovery Trail. He is asking that the Board take some sort of official action such as approving a resolution adopting the chosen name.

FISCAL IMPACT:

This request has no fiscal impact.

RECOMMENDATION: That the Board conduct the workshop, discuss the Peninsula Trails Coalition recommendation and decide on a name for the new trail section. Should the Board wish staff could bring a resolution adopting the name to a subsequent Board meeting.
