AGENDA REQUEST

TO: Board of County Commissioners
Mark McCauley, County Administrator

FROM: Pinky Mingo, Environmental Health and Water Quality Director
Tami Pokorny, Natural Resources Program Coordinator

DATE: October 3, 2022

SUBJECT: Request to reappoint Jill Silver to serve a sixth 2-year term on the North Pacific Coast Marine Resources Committee representing Conservation/Environmental Groups, through August 8th, 2024.

STATEMENT OF ISSUE:

Public Health requests that the County Commissioners reappoint Jill Silver to serve a 6th 2-year term on the North Pacific Coast Marine Resources Committee representing the Conservation/Environmental Groups through August 8th, 2024.

ANALYSIS/STRATEGIC GOALS/PRO'S and CON'S:

A vacancy on the North Pacific Coast Marine Resources Committee (NPC MRC) was advertised in *The Leader* on July 13th, 2022. Ms. Silver responded to the ad prior to the September 2nd, 2022 deadline and she is the only candidate. Ms. Silver has served since May 2010 with tremendous dedication and consistency, and her reappointment would help maintain continuity and a high level of relevant expertise within the program. Mr. Silver's background is in ecology and watershed restoration, and she is executive director of the 10,000 Years Institute.

FISCAL IMPACT/COST BENEFIT ANALYSIS:

There is no fiscal impact to the county's General Fund for reappointing Ms. Silver to a 6th year term on the NPC MRC.

RECOMMENDATION:

Public Health requests that the County Commissioners reappoint Jill Silver to serve a 6th 2-year term on the North Pacific Coast Marine Resources Committee representing the Conservation/Environmental Groups through August 8th, 2024.
