

**JEFFERSON COUNTY
BOARD OF COUNTY COMMISSIONERS**

AGENDA REQUEST

TO: Board of County Commissioners

FROM: Adiel McKnight, Executive Assistant

DATE: October 3, 2022

SUBJECT: PROCLAMATION re: Proclaiming the week of October 2-8, 2022 as Mental Illness Awareness Week

STATEMENT OF ISSUE:

Each year, millions of Americans face the reality of living with a mental health condition. However, mental illness affects everyone directly or indirectly through family, friends or coworkers. That is why each year, during the first week of October, National Alliance on Mental Illness (NAMI) and participants across the country raise awareness of mental illness, fight discrimination and provide support through Mental Illness Awareness Week (MIAW).

We believe that mental health conditions are important to discuss year-round, but highlighting them during MIAW provides a dedicated time for mental health advocates across the country to come together as one unified voice. Since 1990, when Congress officially established the first full week of October as MIAW, advocates have worked together to sponsor activities, large or small, to educate the public about mental illness.

FISCAL IMPACT

There is no fiscal impact to Jefferson County.
