

Jefferson County Board of Commissioners
Consent Agenda Request

To: Board of Commissioners
Mark McCauley, County Administrator

From: Monte Reinders, PE, Public Works Director / County Engineer 

Agenda Date: April 8, 2024

Subject: Digital Submittal Certification - County Road Administration Board (CRAB) Reports for 2023

Statement of Issue:

The County Road Administration Board (CRAB) requires the periodic submittal of forms and documents related to Jefferson County's management of its road system and road fund. The County must submit the following in digital format: (1) Traffic Law Enforcement Expenditure Certification, (2) Fish Passage Barrier Removal Certification, (3) Annual Certification, (4) Annual Construction Report, (5) County Arterial Preservation Report, and (6) Maintenance Management Certification. The first three of these items (attached) will require that the Chair of the Board of County Commissioners certify via digital signature on a "Digital Submittal Certification" emailed directly from CRAB.

Analysis / Strategic Goals / Pros & Cons:

CRAB establishes Standards of Good Practice (WAC 136) for the administration of the County road program and road fund. CRAB monitors compliance with these standards via the County's annual submittal of data and certifications. The County Engineer and Board of Commissioners must certify that required standards are being met.

Fiscal Impact/Cost Benefit Analysis:

Public Works has prepared the required documents with assistance from the Auditor's and Sheriff's offices. The annual issuance of a CRAB "Certificate of Good Practice" is required in order for Jefferson County to receive its annual Motor Vehicle Fuel Tax (MVFT) allocation. The 2024 Motor Vehicle Fuel Tax allocation is estimated to be \$1.5 million in (June 2023, WSDOT Revenue Forecast).

Recommendation:

Authorize the Chair to digitally approve the "Digital Submittal Certification" that will be emailed by CRAB. Upon signature, the Certification will automatically be returned to the County Engineer for final submittal to CRAB.

Department Contact:
