Brief Summary:

Respectfully request a wet signature and notary from Commissioner Franz for the Quimper East direct transfer agreement, which has already been signed by Jefferson County. Two original copies need signatures and notaries.

This 27.63 acre property is currently under a Trust Land Transfer (TLT) lease that started in 2009 with a 50 year term that ends in 2059, with a provision in the lease that gives the tenant (Jefferson County) the opportunity to purchase the remainder fee ownership (full fee title ownership to the property). The legislature paid \$371,200 upfront for the full 50 year term of the TLT lease. The appraised value for the county purchasing the remainder fee interest for the property is an additional \$15,800 to DNR. This payment of \$15,800 will go towards DNR purchasing some replacement land for the Common School Trust beneficiary. Olympic Region staff and Strategic Planning Section staff are both in favor of a direct transfer of the remainder fee interest estate to the county.

Purchaser shall give State written notice of Purchaser's decision to terminate within thirty (30) days of the date of this Agreement. The termination notice shall specify the problems identified. If on or before the Closing Date either the Property is materially damaged, or condemnation proceedings are commenced with respect to the Property, Purchaser shall elect either to terminate this Agreement or to purchase the Property. Purchaser must give written notice of such election to State within fifteen (15) days of Purchaser's knowledge of such damage or condemnation. Failure to give State notice of Purchaser's election to terminate shall be deemed an election to purchase. If Purchaser elects to terminate this Agreement, any deposit shall be returned to Purchaser, and all rights and obligations of Purchaser and State shall terminate. If Purchaser elects to purchase the Property, Purchaser shall be entitled to the insurance proceeds, if any, or to the condemnation award either of which shall be without adjustment to the Purchase Price. If and to the extent that the Property is used for residential purposes or is zoned for residential use, the Purchaser hereby agrees to waive the right to receive a seller's disclosure statement pursuant to RCW Chapter 64.06. Notwithstanding the foregoing, to the extent that the State has actual knowledge of conditions on the Property that would result in a "yes" answer to any of the questions in the Environmental section of the statutory disclosure form, State shall provide a completed copy of that section of the disclosure statement to Purchaser.
