STATEMENT OF ISSUE:

Jefferson County Public Health is seeking BOCC approval to enter into a contract with Discovery Behavioral Health to provide eight hours a week of code case management.

FISCAL IMPACT/COST BENEFIT ANALYSIS:

Jefferson County Public Health will use Foundation Public Health Service funding for the program. The contract is not to exceed \$9,500.

9. Insurance. Prior to commencing work, the Contractor shall obtain at its own cost and expense the following insurance coverage specified below and shall keep such coverage in force during the terms of the Agreement.

The professional liability insurance policy should be on an "occurrence" form. If the professional liability policy is "claims made," then an extended reporting periods coverage (tail coverage) shall be purchased for three (3) years after the end of this Agreement, at the Contractor's sole expense. The Contractor agrees the Contractor's insurance obligation to provide

professional liability insurance shall survive the completion or termination of this Agreement for a minimum period of three (3) years.

- d. The County shall be named as an “additional named insured” under all insurance policies required by this Agreement, except Professional Liability Insurance when not allowed by the insurer.

Certificates of coverage as required by this section shall be delivered to the County within fifteen (15) days of execution of this Agreement.

- h. The Contractor’s insurers shall have no right of recovery or subrogation against the County (including its employees and other agents and agencies), it being the intention of the parties that the insurance policies, with the exception of Professional Liability Insurance, so affected shall protect both parties and be primary coverage for all losses covered by the above-described insurance.

- q. The Contractor's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.
- r. The Contractor shall include all subcontractors as insured under its insurance policies or shall furnish separate certificates and endorsements for each subcontractor. All insurance provisions for subcontractors shall be subject to all the requirements stated herein.
- s. The insurance limits mandated for any insurance coverage required by this Agreement are not intended to be an indication of exposure nor are they limitations on indemnification.
- t. The Contractor shall maintain all required insurance policies in force from the time services commence until services are completed. Certificates, insurance policies, and endorsements expiring before completion of services shall be promptly replaced. All the insurance policies required by this Agreement shall provide that thirty (30) days prior to cancellation, suspension, reduction or material change in the policy, notice of same shall be given to the Jefferson County Public Health Contracts Manager by registered mail, return receipt requested.

Alternative Enforcement Program for Persons Failing to Comply with County Code

Policy Statement:

The purpose of this Alternative Enforcement Program (Program) is to offer social services assistance to persons facing code enforcement for failure to comply with the Jefferson County Code (JCC), where the failure to comply could lead to serious consequences for the person, including daily fines, charges for staff time, attorney's fees and costly litigation, and Environmental Health (EH) believes these persons might benefit from such assistance. The Alternative Enforcement Program shall assess whether difficulty complying with the JCC may be the result of a mental health disorder, substance use disorder, hoarding disorder, physical disability, economic challenges, and/or homelessness. In developing this Program, Environmental Health (EH) aims to exercise enforcement discretion to achieve compliance, considering the needs of the public and the person of whom compliance is required. Nothing in this policy is intended to change, waive or be inconsistent with state law or the JCC.

Program Eligibility

EH and Code Compliance staff shall work with their managers to identify cases where code violations exist and which may benefit from this Alternative Enforcement Program. The criteria for entering this Alternative Enforcement Program is a determination by EH that a person facing code enforcement could benefit from the assistance from a Social Worker because of a possible:

- ☐ Hoarding disorder
- ☐ Mental health disorder
- ☐ Chemical dependency
- ☐ Economic need; or,
- ☐ Physical disability

To ensure that limited resources are used to their highest need, EH and Code Compliance staff shall exercise enforcement authority after considering the following factors:

- ☐ Whether the condition creating a lack of compliance may affect a vulnerable adult or minor;
- ☐ Whether an imminent threat to human health or the environment exists; and,
- ☐ Whether the condition creating a lack of compliance may constitute a nuisance, as defined in JCC 19.10.015(36).

Roles and Responsibilities

Participant

- ☐ Attends bi-weekly sessions with Social Worker for a period of time to be determined by the Social Worker, EH and Compliance Staff to focus on goals that are specific to their situation. For example, learning to cope with stress, make decisions, declutter, etc.

Code Compliance Staff

- ☐ Issues a “Soft Letter” that conveys participation in the Program is voluntary and they may need to waive confidentiality on specific issues for the sole purpose of communicating with EH staff to resolve compliance issues.
- ☐ Prepares certificate(s) of correction pursuant to JCC 19.10.065.
- ☐ Prioritizes the compliance issue(s) for the participant and the Social Worker, so the Social Worker can work on the highest priority issues.
- ☐ Updates the database with progress notes from the social services agency.

Social Worker

- ☐ Develops a plan for connecting the participant to services addressing the participant’s specific needs.
- ☐ Develops a SMART plan (Specific, Measurable, Achievable, Relevant, and Time-Based) with the specific objectives or goals the participant, EH and Code Compliance staff aims to achieve. Develops a SMART plan with input from the participant, EH and Code Compliance staff. SMART stands for specific, measurable, achievable, relevant, and time-bound.
 - Specific—Objective clearly states, so anyone reading it can understand, what will be done and who will do it.
 - Measurable—Objective includes how the action will be measured.
 - Achievable—Objective is realistic given the realities faced in the community. Setting reasonable objectives helps set the participant up for success.

- Relevant—A relevant objective makes sense, that is, it fits the purpose of the Program, it fits the culture and structure of the community, and it addresses the vision of the Program.
- Time-bound—Every objective has a specific timeline for completion.
- ☐ Conducts an initial assessment of participant current status, needs, challenges.
- ☐ Conducts regular assessments.
- ☐ Collaborates with EH and Code Compliance staff.
- ☐ Connects participant to other available resources, such as Discovery Behavioral Health, OlyCAP, DoveHouse, Family Navigator, YMCA, etc.
