**JEFFERSON COUNTY
BOARD OF COUNTY COMMISSIONERS**

AGENDA REQUEST

TO: Board of County Commissioners
Mark McCauley, County Administrator

FROM: Pinky Mingo, Environmental Health & Water Quality Director
Tami Pokorny, Natural Resources Program Coordinator

DATE: April 22, 2024

SUBJECT: Request to reappoint Cheryl Lowe to serve a 4-year term on the Conservation Futures Fund Citizen Oversight Committee representing Habitat Values, through 2028.

STATEMENT OF ISSUE:

Public Health requests that the County Commissioners reappoint Cheryl Lowe to the Conservation Futures Fund Citizen Oversight Committee (Habitat Values) to serve an additional 4-year term through April 22nd, 2028.

ANALYSIS/STRATEGIC GOALS/PRO'S and CON'S:

On February 28, 2024 and March 6, 2024, we advertised four vacancies for the Conservation Futures (CF) Committee, two to represent District 3 and two to represent an Open Interest. Cheryl Lowe submitted her request to be reappointed on April 10, 2024, representing the Interest "Habitat Values." Ms. Lowe has served consistently and admirably on the CF committee since November of 2023, and her reappointment would help maintain continuity and a high level of relevant expertise within the program. Ms. Lowe's background is with the WSU Extension, the Jefferson Marine Resources Committee, and the Whidbey Camano Land Trust. Her formal education is in plant ecology and public garden administration.

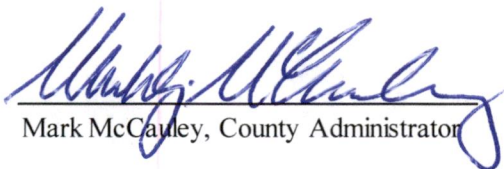

FISCAL IMPACT/COST BENEFIT ANALYSIS:

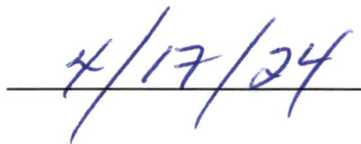

There is no fiscal impact to the county's General Fund for reappointing Ms. Lowe to a new 4-year term on the CF Committee.

RECOMMENDATION:

Public Health requests that the County Commissioners reappoint Cheryl Lowe to serve a 4-year term on the Conservation Futures Fund Citizen Oversight Committee (Habitat Values) through April 22nd, 2028.

REVIEWED BY:

Mark McCauley, County Administrator

Subject: Conservation Futures Committee reappointment

ALERT: BE CAUTIOUS This email originated outside the organization. Do not open attachments or click on links if you are not expecting them.

Hi Tami,

I understand that my initial appointment to the Conservation Futures Fund Advisory Committee was to complete a partial term. I would like to be re-appointed to the Committee for a full term if so approved by the County Commissioners.

Sincerely,

Cheryl Lowe
