Solid Waste Facilities Task Force }

RESOLUTION NO. 09 22

WHEREAS, the Jefferson County Board of Commissioners advocates public participation and encourages citizen involvement in all matters of County government; and

WHEREAS, solid waste collection and management is an essential public service; and,

WHEREAS, the facilities used in the management of the County's solid waste are reaching their useful lifespan; and,

WHEREAS, the planning for the replacement of solid waste management facilities is best done with input from the citizens that are served by them;

1. **THEREFORE, BE IT RESOLVED**, that The Jefferson County Board of Commissioners hereby establishes the Solid Waste Facilities Task Force to assist the County with the planning for the replacement of solid waste facilities. The Task Force is authorized to discuss and collectively recommend refinements to the planning process in the following manner:
- (i) Assist in the development of goals and performance criteria for solid waste facilities;
 - (ii) Assist in the development of the design of solid waste facilities;
 - (iii) Assist in identifying the site for future replacement solid waste handling facilities;
 - (iv) Assist in identifying the financial mechanism to fund the construction of replacement solid waste handling facilities; and,
 - (v) Assist in developing recommendations for the design, siting and financing of solid waste handling facilities for consideration by the Jefferson County Board of County Commissioners
2. **BE IT FURTHER RESOLVED**, that the Solid Waste Facilities Task Force is directed to assist County staff with the development of recommendations for facilities replacement beginning December, 2022 and with an end date of approximately twelve to fourteen months thereafter; and,
