FROM: Glenn Gilbert, Clerk of the Board of Health

DATE: July 24, 2023

SUBJECT: **ADVISORY BOARD RESIGNATION** re Board of Health (BoH); Consumer of Public Health Representative, Alexis "AJ" Hawkins

STATEMENT OF ISSUE:

ADVISORY BOARD RESIGNATION re: BoH Consumer of Public Health Representative, Alexis "AJ" Hawkins

ANALYSIS/STRATEGIC GOALS/PRO'S and CON'S:

On April 22, 2023, BoH Member AJ Hawkins emailed BoH Chair Kees Kolff and the other BoH Members that she was resigning from her position as the "Consumer of Public Health Representative," effective at the adjournment of the BoH May 18, 2023 monthly meeting. Her reasons for resigning included feeling that she was not "a good fit" for the position, and that changes in her life, including taking on a demanding second job, have made it necessary for her to lessen her current commitments. She also mentioned feeling impacted by negative public comments at the monthly meetings.

Chair Kolff thanked Member Hawkins for her important perspective and significant contributions to the BoH.

Efforts to find a replacement for the Consumer of Public Health Representative are on-going and it is anticipated that a new member will be selected at the August 17, 2023 monthly meeting of the BoH.
