AMENDMENT DESCRIPTION

Merging SRFB project 19-1339 funds of \$138,527 (PCSRF funding NA19NMF4380206), sponsor match of \$25,326, and all board approved scope into project 18-1227. Scope increase includes landowner outreach planning metrics and acquisition of Davidson property. Agreement increases from \$354,500 to \$518,353.

PARTIES OF THE AGREEMENT

This Recreation and Conservation Office Grant Agreement (Agreement) is entered into between the State of Washington by and through the Salmon Recovery Funding Board (SRFB or funding board) and the Recreation and Conservation Office (RCO), P.O. Box 40917, Olympia, Washington 98504-0917 and by and through the Jefferson County Public Health (Sponsor, and primary Sponsor), 615 Sheridan St, Port Townsend, WA 98368, and shall be binding on the agents and all persons acting by or through the parties.

The Sponsor's Data Universal Numbering System (DUNS) Number is 184826790.

All Sponsors are equally and independently subject to all the conditions of this Agreement except those conditions that expressly apply only to the primary Sponsor.

Prior to and during the Period of Performance, per the Applicant Resolution/Authorizations submitted by all sponsors (and on file with the RCO), the identified Authorized Representative(s)/Agent(s) have full authority to legally bind the Sponsor(s) regarding all matters related to the project, including but not limited to, full authority to: (1) sign a grant application for grant assistance, (2) enter into this project agreement on behalf of the Sponsor(s) including indemnification, as provided therein, (3) enter any amendments thereto on behalf of Sponsor(s), and (4) make any decisions and submissions required with respect to the project. Agreements and amendments must be signed by the Authorized Representative/Agent(s) of all Sponsors, unless otherwise allowed in the AMENDMENTS TO AGREEMENT Section.

- A. During the Period of Performance, in order for a Sponsor to change its Authorized Representative/Agent as identified on the original signed Applicant Resolution/Authorization the Sponsor must provide the RCO a new Applicant Resolution/Authorization signed by its governing body or a written delegation of authority to sign in lieu of originally authorized Representative/Agency(s). Unless a new Applicant Resolution/Authorization has been provided, the RCO shall proceed on the basis that the person who is listed as the Authorized Representative in the last Resolution/Authorization that RCO has received is the person with authority to bind the Sponsor to the Agreement (including any amendments thereto) and decisions related to implementation of the Agreement.
- B. Amendments After the Period of Performance. RCO reserves the right to request and Sponsor has the obligation to provide, authorizations and documents that demonstrate any signatory to an amendment has the authority to legally bind the Sponsor as described in the above Sections.

For the purposes of this Agreement, as well as for grant management purposes with RCO, only the primary Sponsor may act as a fiscal agent to obtain reimbursements (See PROJECT REIMBURSEMENTS Section).

PURPOSE OF AGREEMENT

This Agreement sets out the terms and conditions by which a grant is made from the General Fund - Federal and State Building Construction Account of the State of Washington. The grant is administered by the Recreation and Conservation Office (RCO).

DESCRIPTION OF PROJECT

This project will acquire and protect floodplain properties on the floodplain of the Big Quilcene River that are essential to implementing a preferred restoration design to restore spawning habitat in the lower Big Quilcene River for Hood Canal summer chum and habitat-forming processes by removing existing structures and improvements and restoring native riparian vegetation on key floodplain properties

The restoration design currently being developed by Hood Canal Salmon Enhancement Group (HCSEG) and its partners includes "actions that will allow the river to reconnect to historic floodplain areas and that is consistent with community needs and benefits."

An important design element is a new road and bridge alignment to accommodate a functional channel migration zone. Relocating the existing Linger Longer Bridge and transportation corridor upstream to the vicinity of Rodgers St. would likely

help maximize opportunities to reconnect the floodplain and restore habitat.

This project will work directly with potential willing landowners to accomplish the acquisitions necessary to implement the restoration design up to the limit of available funds and, in combination with other RCO-funded County acquisition projects, this project will acquire two or more properties or property interests.

PERIOD OF PERFORMANCE

The period of performance begins on July 1, 2019 (project start date) and ends on December 31, 2022 (project end date). No allowable cost incurred before or after this period is eligible for reimbursement unless specifically provided for by written amendment or addendum to this Agreement, or specifically provided for by applicable RCWs, WACs, and any applicable RCO manuals as of the effective date of this Agreement.

The RCO reserves the right to summarily dismiss any request to amend this Agreement if not made at least 60 days before the project end date.

STANDARD TERMS AND CONDITIONS INCORPORATED

The Standard Terms and Conditions of the Recreation and Conservation Office are hereby incorporated by reference as part of this Agreement.

This exception does not apply to a federal government Sponsor or a Sponsor that requests and enters into a formal amendment for extensions or minor scope adjustments.

It is the responsibility of a Sponsor to ensure that any person who signs an amendment on its behalf is duly authorized to do so.

Unless otherwise expressly stated in an amendment, any amendment to this Agreement shall be deemed to include all current federal, state, and local government laws and rules, and policies applicable and active and published in the applicable RCO manuals or on the RCO website in effect as of the effective date of the amendment, without limitation to the subject matter of the amendment. Provided, any update in law, rule, policy or a manual that is incorporated as a result of an amendment shall apply only prospectively and shall not require that an act previously done in compliance with existing requirements be redone. However, any such amendment, unless expressly stated, shall not extend or reduce the long-term obligation term.

ASSIGNMENT

Neither this Agreement, nor any claim arising under this Agreement, shall be transferred or assigned by the Sponsor without prior written approval of the RCO.

RESPONSIBILITY FOR PROJECT

While RCO administers the grant that is the subject of this Agreement, the project itself remains the sole responsibility of the Sponsor. The RCO and Funding Entity (if different from the RCO) undertakes no responsibilities to the Sponsor, or to any third party, other than as is expressly set out in this Agreement.

The responsibility for the implementation of the project is solely that of the Sponsor, as is the responsibility for any claim or suit of any nature by any third party related in any way to the project. When a project has more than one Sponsor, any and all Sponsors are equally responsible for the project and all post-completion stewardship responsibilities and long-term obligations unless otherwise stated in this Agreement.

The RCO, its employees, assigns, consultants and contractors, and members of any funding board or advisory committee or other RCO grant review individual or body, have no responsibility for reviewing, approving, overseeing or supervising design, construction, or safety of the project and leaves such review, approval, oversight and supervision exclusively to the Sponsor and others with expertise or authority. In this respect, the RCO, its employees, assigns, consultants and contractors, and any funding board or advisory committee or other RCO grant review individual or body will act only to confirm at a general, lay person, and nontechnical level, solely for the purpose of project eligibility and payment and not for safety or suitability, that the project apparently is proceeding or has been completed as per the Agreement.

Provided that nothing herein shall require a Sponsor to defend or indemnify the State against and hold harmless the State from claims, demands or suits based solely upon the negligence of the State, its employees and/or agents for whom the State is vicariously liable.

Provided further that if the claims or suits are caused by or result from the concurrent negligence of (a) the Sponsor or the Sponsor's agents or employees, and (b) the State, or its employees or agents the indemnity obligation shall be valid and enforceable only to the extent of the Sponsor's negligence or its agents, or employees.

As part of its obligations provided above, the Sponsor specifically assumes potential liability for actions brought by the Sponsor's own employees or its agents against the State and, solely for the purpose of this indemnification and defense, the Sponsor specifically waives any immunity under the state industrial insurance law, RCW Title 51. Sponsor's waiver of immunity under this provision extends only to claims against Sponsor by Indemnitee RCO, and does not include, or extend to, any claims by Sponsor's employees directly against Sponsor.

Sponsor shall ensure that any agreement relating to this project involving any contractors, subcontractors and/or vendors of any tier shall require that the contracting entity indemnify, defend, waive RCW 51 immunity, and otherwise protect the State as provided herein as if it were the Sponsor. This shall not apply to a contractor or subcontractor is solely donating its services to the project without compensation or other substantial consideration.

The Sponsor shall also defend, indemnify, and hold the State and its officers and employees harmless from all claims, demands, or suits at law or equity arising in whole or in part from the alleged patent or copyright infringement or other allegedly improper appropriation or use of trade secrets, patents, proprietary information, know-how, copyright rights or inventions by the Sponsor or the Sponsor's agents, employees, contractors, subcontractors or vendors, of any tier, or any other persons for whom the Sponsor may be legally liable, in performance of the work under this Agreement or arising out of any use in connection with the Agreement of methods, processes, designs, information or other items furnished or communicated to the State, its agents, officers and employees pursuant to the Agreement. Provided, this Indemnity shall not

apply to any alleged patent or copyright infringement or other allegedly improper appropriation or use of trade secrets, patents, proprietary information, know-how, copyright rights or inventions resulting from the State's, its agents', officers' and employees' failure to comply with specific written instructions regarding use provided to the State, its agents, officers and employees by the Sponsor, its agents, employees, contractors, subcontractors or vendors, of any tier, or any other persons for whom the Sponsor may be legally liable.

The funding board and RCO are included within the term State, as are all other agencies, departments, boards, councils, committees, divisions, bureaus, offices, societies, or other entities of state government.

INDEPENDENT CAPACITY OF THE SPONSOR

The Sponsor and its employees or agents performing under this Agreement are not officers, employees or agents of the RCO or Funding Entity. The Sponsor will not hold itself out as nor claim to be an officer, employee or agent of the RCO or the Funding Entity, or of the state of Washington, nor will the Sponsor make any claim of right, privilege or benefit which would accrue to an employee under RCW 41.06.

The Sponsor is responsible for withholding and/or paying employment taxes, insurance, or deductions of any kind required by federal, state, and/or local laws.

CONFLICT OF INTEREST

In the event this Agreement is terminated as provided herein, RCO shall be entitled to pursue the same remedies against the Sponsor as it could pursue in the event of a breach of the Agreement by the Sponsor. The Sponsor is responsible for any and all costs or liability arising from the Sponsor's failure to so comply with applicable law. Except where a nondiscrimination clause required by a federal funding agency is used, the Sponsor shall insert the following nondiscrimination clause in each contract for construction of this project: "During the performance of this contract, the contractor agrees to comply with all federal and state nondiscrimination laws, regulations and policies."

Unless required by law, the Sponsor is not required to investigate a statement regarding prevailing wage provided by a contractor or subcontractor.
- D. **Restrictions on Grant Use.** No part of any funds provided under this grant shall be used, other than for normal and recognized executive-legislative relationships, for publicity or propaganda purposes, or for the preparation, distribution, or use of any kit, pamphlet, booklet, publication, radio, television, or video presentation designed to

support or defeat legislation pending before the U.S. Congress or any state legislature. No part of any funds provided under this grant shall be used to pay the salary or expenses of any Sponsor, or agent acting for such Sponsor, related to any activity designed to influence legislation or appropriations pending before the U.S. Congress or any state legislature.

- E. **Debarment and Certification.** By signing the Agreement with RCO, the Sponsor certifies that neither it nor its principals nor any other lower tier participant are presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this transaction by Washington State Labor and Industries. Sponsor further agrees to utilize, where applicable and financially feasible, any monitoring protocols recommended by the RCO; provided that RCO does not represent that any monitoring it may recommend will be adequate to reasonably assure project performance or safety. It is the sole responsibility of the Sponsor to perform such additional monitoring as may be adequate for such purposes.

PROVISIONS APPLYING TO ACQUISITION PROJECTS

The following provisions shall be in force:

- B. **Evidence of Title.** The Sponsor agrees to provide documentation that shows the type of ownership interest for the property that has been acquired. This shall be done before any payment of financial assistance.
- C. **Legal Description of Real Property Rights Acquired.** The legal description of any real property rights purchased with funding assistance provided through this Agreement (and protected by a recorded conveyance of rights to the

State of Washington) shall be delivered to RCO before final payment.

- D. **Conveyance of Rights to the State of Washington.** When real property rights (both fee simple and lesser interests) are acquired, the Sponsor agrees to execute an appropriate document (provided or approved by RCO) conveying certain rights and responsibilities to RCO or the Funding Entity on behalf of the State of Washington or another agency of the state, or federal agency, or other organization. These documents include a Deed of Right, Assignment of Rights, Easements and/or Leases as described below. The Sponsor agrees to use document language provided by RCO, to record the executed document in the County where the real property lies, and to provide a copy of the recorded document to RCO. The document required will vary depending on the project type, the real property rights being acquired and whether or not those rights are being acquired in perpetuity.
- 1) **Deed of Right.** The Deed of Right as described in RCO Manual #3 conveys to the people of the state of Washington the right to preserve, protect, access, and/or use the property for public purposes consistent with the funding source and project agreement. Sponsors shall use this document when acquiring real property rights that include the underlying land. This document may also be applicable for those easements where the Sponsor has acquired a perpetual easement for public purposes.
 - 2) **Assignment of Rights.** The Assignment of Rights as described in RCO Manual #3 document transfers certain rights to RCO and the state such as public access, access for compliance, and enforcement. Sponsors shall use this document when an easement or lease is being acquired under this Agreement. The Assignment of Rights requires the signature of the underlying landowner and must be incorporated by reference in the easement document.
 - 3) **Easements and Leases.** The Sponsor may incorporate required language from the Deed of Right or Assignment of Rights directly into the easement or lease document, thereby eliminating the requirement for a separate document. Language will depend on the situation; Sponsor must obtain RCO approval on the draft language prior to executing the easement or lease.
- E. **Real Property Acquisition and Relocation Assistance.** In the event that housing and relocation costs and procedures are required by local, state, tribal, or federal law, or rule; the Sponsor agrees to provide such housing and relocation assistance as a condition of the Agreement and receiving grant funds.
- F. **Buildings and Structures.** Buildings and Structures. In general, grant funds are to be used for outdoor recreation, conservation, or salmon recovery. Sponsors agree to remove or demolish inelligible structures. Sponsor must consult with RCO regarding treatment of such structures and compliance with COMPLIANCE WITH APPLICABLE LAW SECTION, and ARCHAEOLOGICAL AND CULTURAL RESOURCES RESPONSIBILITIES SECTION.
- G. **Hazardous Substances.**
- 1) **Certification.** The Sponsor shall inspect, investigate, and conduct an environmental audit of the proposed acquisition site for the presence of hazardous substances, as defined in RCW 70.105D.020(13), and certify:

 - b) Any hazardous substances found have been treated and/or disposed of in compliance with applicable state and federal laws, and the site deemed "clean."
 - 2) **Responsibility.** Nothing in this provision alters the Sponsor's duties and liabilities regarding hazardous substances as set forth in RCW 70.105D.
 - 3) **Hold Harmless.** The Sponsor will defend, protect and hold harmless the State and any and all of its employees and/or agents, from and against any and all liability, cost (including but not limited to all costs of defense and attorneys' fees) and any and all loss of any nature from any and all claims or suits resulting from the presence of, or the release or threatened release of, hazardous substances on the property the Sponsor is acquiring, except to the extent, if any, that the State, its officers and agents caused or contributed to the release. The Funding Entity and RCO are included within the term State, as are all other agencies, departments, boards, councils, committees, divisions, bureaus, offices, societies, or other entities of state government.
- H. **Requirements for Federal Subawards.** The non-federal entity (Sponsor) must submit reports the federal funding agency, through RCO, at least annually on the status of real property in which the federal government retains an interest, unless the federal interest in the real property extends 15 years or longer. In those instances where the federal interest attached is for a period of 15 years or more, the federal awarding agency or the pass-through entity (RCO), at its option, may require the Sponsor to report at various multi-year frequencies (e.g., every two years or every three years, not to exceed a five-year reporting period; or a federal awarding agency or RCO may require annual reporting for the first three years of a federal award and thereafter require reporting every five years) (2 C.F.R. § 200.329 (2013) as updated and amended).

- C. **Conversion.** The Sponsor shall not at any time convert any real property (including any interest therein) or facility acquired, developed, and/or renovated pursuant to this Agreement, unless provided for in applicable statutes, rules, and policies. Conversion includes, but is not limited to, putting such property (or a portion of it) to uses other than those purposes for which funds were approved or transferring such property to another entity without prior approval via a written amendment to the Agreement. All real property or facilities acquired, developed, and/or renovated with funding assistance shall remain in the same ownership and in public use/access status in perpetuity unless otherwise expressly provided in the Agreement or applicable policies or unless a transfer or change in use is approved by the RCO through an amendment. Failure to comply with these obligations is a conversion. Further, if the project is subject to operation and/or maintenance obligations, the failure to comply with such obligations, without cure after a reasonable period as determined by the RCO, is a conversion. Determination of whether a conversion has occurred shall be based upon all terms of the Agreement, and all applicable state or federal laws or regulation.
 - 1) For acquisition projects that are expressly term-limited in the Agreement, the restriction on conversion shall apply only for the length of the term, unless otherwise provided by this Agreement and incorporated documents, WACs, or any applicable state or federal law or regulation.
 - 2) When a conversion has been determined to have occurred, the Sponsor shall remedy the conversion as set forth in this Agreement (with incorporated documents) and as required by all applicable policies, manuals, WACs and laws that exist at the time the remedy is implemented or the right to the remedy is established by a court or other decision-making body, and the RCO may pursue all remedies as allowed by the Agreement or law.

 - 2) Appear attractive and inviting to the public except for brief installation, construction, or maintenance periods.
 - 3) Be available for appropriate use by the general public at reasonable hours and times of the year, according to the type of area or facility, unless otherwise stated in RCO manuals or, by a decision of the RCO director in writing. Sponsor shall notify the public of the availability for use by posting and updating that information on its website and by maintaining at entrances and/or other locations openly visible signs with such information.

In addition, contractors must be required to pay wages not less than once a week. The non-federal entity (Sponsor) must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. Only RCO's Director or RCO's delegate authorized in writing (delegation to be made prior to action) shall have the authority to alter, amend, modify, or waive any clause or condition of this Agreement; provided that any such alteration, amendment, modification, or waiver of any clause or condition of this Agreement is not effective or binding unless made as a written amendment to this Agreement and signed by the RCO Director or delegate.

WAIVER OF DEFAULT

Waiver of any default shall not be deemed to be a waiver of any subsequent default. Waiver or breach of any provision of the Agreement shall not be deemed to be a waiver of any other or subsequent breach and shall not be construed to be a modification of the terms of the Agreement unless stated to be such in writing, signed by the director, or the director's designee, and attached as an amendment to the original Agreement.

APPLICATION REPRESENTATIONS – MISREPRESENTATIONS OR INACCURACY OR BREACH

The Funding Entity (if different from RCO) and RCO rely on the Sponsor's application in making its determinations as to eligibility for, selection for, and scope of, funding grants. Any misrepresentation, error or inaccuracy in any part of the application may be deemed a breach of this Agreement.

SPECIFIC PERFORMANCE

RCO may enforce this Agreement by the remedy of specific performance, which means Sponsors' completion of the project and/or its completion of long-term obligations as described in this Agreement. However, the remedy of specific performance shall not be the sole or exclusive remedy available to RCO. No remedy available to the RCO shall be deemed exclusive. The RCO may elect to exercise any, a combination of, or all of the remedies available to it under this Agreement, or under any provision of law, common law, or equity, including but not limited to seeking full or partial repayment of the grant amount paid and damages.

TERMINATION AND SUSPENSION

The RCO requires strict compliance by the Sponsor with all the terms of this Agreement including, but not limited to, the requirements of the applicable statutes, rules, and RCO policies, and with the representations of the Sponsor in its application for a grant as finally approved by RCO. For federal awards, notification of termination will comply with 2 C.F.R. § 200.340.

A. For Cause.

- 1) The RCO director may suspend or terminate the obligation to provide funding to the Sponsor under this Agreement:
 - a) If the Sponsor breaches any of the Sponsor's obligations under this Agreement;
 - b) If the Sponsor fails to make progress satisfactory to the RCO director toward completion of the project by the completion date set out in this Agreement. Included in progress is adherence to milestones and other defined deadlines; or
 - c) If the primary and secondary Sponsor(s) cannot mutually agree on the process and actions needed to implement the project;

- 2) Prior to termination, the RCO shall notify the Sponsor in writing of the opportunity to cure. If corrective action is not taken within 30 days or such other time period that the director approves in writing, the Agreement may be terminated. In the event of termination, the Sponsor shall be liable for damages or other relief as authorized by law and/or this Agreement.
 - 3) RCO reserves the right to suspend all or part of the Agreement, withhold further payments, or prohibit the Sponsor from incurring additional obligations of funds during the investigation of any alleged breach and pending corrective action by the Sponsor, or a decision by the RCO to terminate the Contract.
- B. **For Convenience.** Except as otherwise provided in this Agreement, RCO may, by ten (10) days written notice, beginning on the second day after the mailing, terminate this Agreement, in whole or in part when it is in the best interest of the state. If this Agreement is so terminated, RCO shall be liable only for payment required under the terms of this Agreement prior to the effective date of termination. A claimed termination for cause shall be deemed to be a "Termination for Convenience" if it is determined that:
- 1) The Sponsor was not in default; or
 - 2) Failure to perform was outside Sponsor's control, fault or negligence.
- C. **Rights of Remedies of the RCO.**
- 1) The rights and remedies of RCO provided in this Agreement are not exclusive and are in addition to any other rights and remedies provided by law.
 - 2) In the event this Agreement is terminated by the director, after any portion of the grant amount has been paid to the Sponsor under this Agreement, the director may require that any amount paid be repaid to RCO for redeposit into the account from which the funds were derived. However, any repayment shall be limited to the extent it would be inequitable and represent a manifest injustice in circumstances where the project will fulfill its fundamental purpose for substantially the entire period of performance and of long-term obligation.
- D. **Non Availability of Funds.** The obligation of the RCO to make payments is contingent on the availability of state and federal funds through legislative appropriation and state allotment. If amounts sufficient to fund the grant made under this Agreement are not appropriated to RCO for expenditure for this Agreement in any biennial fiscal period, RCO shall not be obligated to pay any remaining unpaid portion of this grant unless and until the necessary action by the Legislature or the Office of Financial Management occurs. If RCO participation is suspended under this section for a continuous period of one year, RCO's obligation to provide any future funding under this Agreement shall terminate. Termination of the Agreement under this section is not subject to appeal by the Sponsor.
- 1) **Suspension:** The obligation of the RCO to manage contract terms and make payments is contingent upon the state appropriating state and federal funding each biennium. In the event the state is unable to appropriate such funds by the first day of each new biennium RCO reserves the right to suspend the Agreement, with ten (10) days written notice, until such time funds are appropriated. Suspension will mean all work related to the contract must cease until such time funds are obligated to RCO and the RCO provides notice to continue work.
 - 2) **No Waiver.** The failure or neglect of RCO to require strict compliance with any term of this Agreement or to pursue a remedy provided by this Agreement or by law shall not act as or be construed as a waiver of any right to fully enforce all rights and obligations set forth in this Agreement and in applicable state or federal law and regulations.

DISPUTE HEARING

Except as may otherwise be provided in this Agreement, when a dispute arises between the Sponsor and the RCO, which cannot be resolved, either party may request a dispute hearing according to the process set out in this section. Either party's request for a dispute hearing must be in writing and clearly state:

- A. The disputed issues;
- B. The relative positions of the parties;
- C. The Sponsor's name, address, project title, and the assigned project number.

In order for this section to apply to the resolution of any specific dispute or disputes, the other party must agree in writing that the procedure under this section shall be used to resolve those specific issues. The dispute shall be heard by a panel of three persons consisting of one person chosen by the Sponsor, one person chosen by the director, and a third person chosen by the two persons initially appointed. If a third person cannot be agreed on, the persons chosen by the Sponsor and director shall be dismissed and an alternate person chosen by the Sponsor, and one by the director shall be appointed and they shall agree on a third person. This process shall be repeated until a three person panel is established.

Any hearing under this section shall be informal, with the specific processes to be determined by the disputes panel according to the nature and complexity of the issues involved. The process may be solely based on written material if the parties so agree. The disputes panel shall be governed by the provisions of this Agreement in deciding the disputes.

The parties shall be bound by the majority decision of the dispute panelists, unless the remedy directed by that panel is beyond the authority of either or both parties to perform, as necessary, or is otherwise unlawful.

Request for a disputes hearing under this section by either party shall be delivered or mailed to the other party. The request shall be delivered or mailed within thirty (30) days of the date the requesting party has received notice of the action or position of the other party which it wishes to dispute. The written agreement to use the process under this section for resolution of those issues shall be delivered or mailed by the receiving party to the requesting party within thirty (30) days of receipt by the receiving party of the request.

All costs associated with the implementation of this process shall be shared equally by the parties.

ATTORNEYS' FEES

In the event of litigation or other action brought to enforce contract terms, each party agrees to bear its own attorney fees and costs.

GOVERNING LAW/VENUE

This Agreement shall be construed and interpreted in accordance with the laws of the State of Washington. In the event of a lawsuit involving this Agreement, venue shall be in Thurston County Superior Court if legally proper; otherwise venue shall be in the Superior Court of a county where the project is situated, if venue there is legally proper, and if not, in a county where venue is legally proper. The Sponsor, by execution of this Agreement acknowledges the jurisdiction of the courts of the State of Washington.

SEVERABILITY

The provisions of this Agreement are intended to be severable. If any term or provision is illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the validity of the remainder of the Agreement.

END OF AGREEMENT

This is the end of the agreement.

PARTIES OF THE AGREEMENT

This Recreation and Conservation Office Agreement (Agreement) is entered into between the State of Washington by and through the Salmon Recovery Funding Board (SRFB or funding board) and the Recreation and Conservation Office (RCO), P.O. Box 40917, Olympia, Washington 98504-0917 and Jefferson County by and through the Jefferson County Public Health (Sponsor, and primary Sponsor), 615 Sheridan St, Port Townsend, WA 98368, and shall be binding on the agents and all persons acting by or through the parties.

The Sponsor's Data Universal Numbering System (DUNS) Number is 184826790.

All Sponsors are equally and independently subject to all the conditions of this Agreement except those conditions that expressly apply only to the primary Sponsor.

Per the Applicant Resolution/Authorizations submitted by all sponsors (and on file with the RCO), the identified Authorized Representative(s)/Agent(s) have full authority to legally bind the Sponsor(s) regarding all matters related to the project, including but not limited to, full authority to: (1) sign a grant application for grant assistance, (2) enter into this project agreement on behalf of the Sponsor(s) (including indemnification and waiver of sovereign immunity, if applicable, as provided therein), (3) enter any amendments thereto on behalf of the Sponsors, and (4) make any decisions and submissions required with respect to the project. Agreements and amendments must be signed by the Authorized Representative/Agent(s) of all sponsors, unless otherwise allowed in Amendments and Agreement Section.

If a Sponsor wishes to change its Authorized Representative/Agent as identified on the original signed Applicant Resolution/Authorization, the Sponsor has the obligation to provide to RCO in writing a new Applicant Resolution/Authorization signed by its governing body. Unless a new Applicant Resolution/Authorization has been provided, RCO will be entitled to rely upon the fact that the current Authorized Representative/Agent has the authority to bind the Sponsor to the Agreement (including any amendments thereto) and decisions related to implementation of the Agreement.

For the purposes of this Agreement, as well as for grant management purposes with RCO, only the primary Sponsor may act as a fiscal agent to obtain reimbursements (See PROJECT REIMBURSEMENTS Section).

PURPOSE OF AGREEMENT

This Agreement sets out the terms and conditions by which a grant is made from the State Building Construction Account of the State of Washington. The grant is administered by the Recreation and Conservation Office (RCO).

DESCRIPTION OF PROJECT

This project will acquire and protect floodplain properties on the floodplain of the Big Quilcene River that are essential to implementing a preferred restoration design to restore spawning habitat in the lower Big Quilcene River for Hood Canal summer chum and habitat-forming processes by removing existing structures and improvements and restoring native riparian vegetation on key floodplain properties

The restoration design currently being developed by Hood Canal Salmon Enhancement Group (HCSEG) and its partners includes "actions that will allow the river to reconnect to historic floodplain areas and that is consistent with community needs and benefits."

An important design element is a new road and bridge alignment to accommodate a functional channel migration zone. Relocating the existing Linger Longer Bridge and transportation corridor upstream to the vicinity of Rodgers St. would likely help maximize opportunities to reconnect the floodplain and restore habitat.

This project will work directly with potential willing landowners to accomplish the acquisitions necessary to implement the restoration design up to the limit of available funds and, in combination with other RCO-funded County acquisition projects, this project will acquire two or more properties or property interests.

PERIOD OF PERFORMANCE

The period of performance begins on July 1, 2019 (project start date) and ends on June 30, 2021 (project end date). No allowable cost incurred before or after this period is eligible for reimbursement unless specifically provided for by written amendment or addendum to this Agreement, or specifically provided for by applicable RCWs, WACs, and any applicable RCO manuals as of the effective date of this Agreement.

The Sponsor must request extensions of the period of performance at least 60 days before the project end date.

STANDARD TERMS AND CONDITIONS INCORPORATED

The Standard Terms and Conditions of the Agreement are hereby incorporated by reference as part of this Agreement.

LONG-TERM OBLIGATIONS

For this acquisition project, the sponsor's on-going obligations shall be in perpetuity and shall survive the completion/termination of this Project Agreement unless otherwise identified in the Agreement or as approved by the funding board. It is the intent of the funding board's conversion policy (see the Long-Term Obligations Of The Project Sponsors section) that all lands acquired and or facilities and areas developed, renovated, or restored with funding assistance remain in the public domain in perpetuity.

The total grant award provided for this project shall not exceed \$300,000.00. The RCO shall not pay any amount beyond that approved for grant funding of the project and within the percentage as identified below. The Sponsor shall be responsible for all total project costs that exceed this amount. The minimum matching share provided by the Sponsor shall be as indicated below:

project end date – The specific date identified in the Agreement on which the period of performance ends, as may be changed by amendment. This date is not the end date for any long-term obligations.

project start date – The specific date identified in the Agreement on which the period of performance starts.

RCO – Recreation and Conservation Office – The state agency that administers the grant that is the subject of this Agreement. RCO includes the director and staff.

reimbursement – RCO's payment of funds from eligible and allowable costs that have already been paid by the Sponsor per the terms of the Agreement.

Sponsor – A Sponsor is an organization that is listed in and has signed this Agreement.

Sponsor Authorized Representative/Agent – A Sponsor's agent (employee, political appointee, elected person, etc.) authorized to be the signatory of this Agreement and any amendments requiring a Sponsor signature. This

person has the signature authority to bind the Sponsor to this Agreement, grant, and project.

Also, a subaward may be an award provided by a pass-through entity to a subrecipient for the subrecipient to carry out part of any award received by the pass-through entity. It does not include payments to a contractor or payments to an individual that is a beneficiary of a federal or other program. A subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract. Also see 2 C.F.R. § 200.92 (2013). For federal subawards, a subaward is for the purpose of carrying out a portion of a Federal award and creates a federal assistance relationship with the subrecipient (2 C.F.R. § 200.330 (2013)). If this Agreement is a federal subaward, the subaward amount is the grant program amount in the Project Funding Section.

subrecipient – Subrecipient means an entity that receives a subaward. For non-federal entities receiving federal funds, a subrecipient is an entity that receives a subaward from a pass-through entity to carry out part of a federal program; but does not include an individual that is a beneficiary of such program. A subrecipient may also be a recipient of other federal awards directly from a federal awarding agency (2 C.F.R. § 200.93 (2013)). WAC – Washington Administrative Code.

PERFORMANCE BY THE SPONSOR

The Sponsor shall undertake the project as described in this Agreement, and in accordance with the Sponsor's proposed goals and objectives described in the application or documents submitted with the application, all as finally approved by the RCO. All submitted documents are incorporated by this reference as if fully set forth herein.

Timely completion of the project and submission of required documents, including progress and final reports, is important. Failure to meet critical milestones or complete the project, as set out in this Agreement, is a material breach of the Agreement.

ASSIGNMENT

Neither this Agreement, nor any claim arising under this Agreement, shall be transferred or assigned by the Sponsor without prior written consent of the RCO.

RESPONSIBILITY FOR PROJECT

While RCO administers the grant that is the subject of this Agreement, the project itself remains the sole responsibility of the Sponsor. The RCO and Funding Entity (if different from the RCO) undertakes no responsibilities to the Sponsor, or to any third party, other than as is expressly set out in this Agreement. The responsibility for the implementation of the project is solely that of the Sponsor, as is the responsibility for any claim or suit of any nature by any third party related in any way to the project. When a project is Sponsored by more than one entity, any and all Sponsors are equally responsible for the project and all post-completion stewardship responsibilities and long-term obligations unless otherwise stated in this Agreement.

The RCO has no responsibility for reviewing, approving, overseeing or supervising design or construction of the project and leaves such review, approval, oversight and supervision exclusively to the Sponsor and others with expertise or authority. In this respect, the RCO will act only to confirm at a general, lay, and nontechnical level, solely for the purpose of compliance and payment and not for safety or suitability, that the project has apparently been completed as per the Agreement.

INDEMNIFICATION

The Sponsor shall defend, indemnify, and hold the State and its officers and employees harmless from all claims, demands, or suits at law or equity arising in whole or in part from the actual or alleged acts, errors, omissions or negligence in connection with this Agreement (including without limitation all work or activities thereunder), or the breach of any obligation under this Agreement by the Sponsor or the Sponsor's agents, employees, contractors, subcontractors, or vendors, of any tier, or any other persons for whom the Sponsor may be legally liable.

Provided that nothing herein shall require a Sponsor to defend or indemnify the State against and hold harmless the State from claims, demands or suits based solely upon the negligence of the State, its employees and/or agents for whom the State is vicariously liable.

Provided further that if the claims or suits are caused by or result from the concurrent negligence of (a) the Sponsor or the Sponsor's agents, employees, contractors, subcontractors or vendors, of any tier, or any other persons for whom the Sponsor

is legally liable, and (b) the State its employees and agents for whom it is vicariously liable, the indemnity obligation shall be valid and enforceable only to the extent of the Sponsor's negligence or the negligence of the Sponsor's agents, employees, contractors, subcontractors or vendors, of any tier, or any other persons for whom the Sponsor may be legally liable.

This provision shall be included in any agreement between Sponsor and any contractors, subcontractor and vendor, of any tier.

The Sponsor shall also defend, indemnify, and hold the State and its officers and employees harmless from all claims, demands, or suits at law or equity arising in whole or in part from the alleged patent or copyright infringement or other allegedly improper appropriation or use of trade secrets, patents, proprietary information, know-how, copyright rights or inventions by the Sponsor or the Sponsor's agents, employees, contractors, subcontractors or vendors, of any tier, or any other persons for whom the Sponsor may be legally liable, in performance of the work under this Agreement or arising out of any use in connection with the Agreement of methods, processes, designs, information or other items furnished or communicated to the State, its agents, officers and employees pursuant to the Agreement. Provided, this indemnity shall not apply to any alleged patent or copyright infringement or other allegedly improper appropriation or use of trade secrets, patents, proprietary information, know-how, copyright rights or inventions resulting from the State's, its agents', officers' and employees' failure to comply with specific written instructions regarding use provided to the State, its agents, officers and employees by the Sponsor, its agents, employees, contractors, subcontractors or vendors, of any tier, or any other persons for whom the Sponsor may be legally liable.

As part of its obligations provided above, the Sponsor specifically assumes potential liability for actions brought by the Sponsor's own employees or its agents against the State and, solely for the purpose of this indemnification and defense, the Sponsor specifically waives any immunity under the state industrial insurance law, RCW Title 51.

The funding board and RCO are included within the term State, as are all other agencies, departments, boards, councils, committees, divisions, bureaus, offices, societies, or other entities of state government.

INDEPENDENT CAPACITY OF THE SPONSOR

The Sponsor and its employees or agents performing under this Agreement are not officers, employees or agents of the RCO or Funding Entity. The Sponsor will not hold itself out as nor claim to be an officer, employee or agent of the RCO or the Funding Entity, or of the state of Washington, nor will the Sponsor make any claim of right, privilege or benefit which would accrue to an employee under RCW 41.06.

The Sponsor is responsible for withholding and/or paying employment taxes, insurance, or deductions of any kind required by federal, state, and/or local laws.

CONFLICT OF INTEREST

Notwithstanding any determination by the Executive Ethics Board or other tribunal, RCO may, in its sole discretion, by written notice to the Sponsor terminate this Agreement if it is found after due notice and examination by RCO that there is a violation of the Ethics in Public Service Act, RCW 42.52; or any similar statute involving the Sponsor in the procurement of, or performance under, this Agreement.

In the event this Agreement is terminated as provided herein, RCO shall be entitled to pursue the same remedies against the Sponsor as it could pursue in the event of a breach of the Agreement by the Sponsor. The rights and remedies of RCO provided for in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or this Agreement.

COMPLIANCE WITH APPLICABLE LAW

In implementing the Agreement, the Sponsor shall comply with all applicable federal, state, and local laws (including without limitation all applicable ordinances, codes, rules, and regulations). Such compliance includes, without any limitation as to other applicable laws, the following laws:

- A. **Nondiscrimination Laws.** The Sponsor shall comply with all applicable federal, state, and local nondiscrimination laws and/or policies, including but not limited to: the Americans with Disabilities Act; Civil Rights Act; and the Age Discrimination Act. In the event of the Sponsor's noncompliance or refusal to comply with any nondiscrimination law or policy, the Agreement may be rescinded, cancelled, or terminated in whole or in part, and the Sponsor may be declared ineligible for further grant awards from the RCO or Funding Entity. The Sponsor is responsible for any and all costs or liability arising from the Sponsor's failure to so comply with applicable law. Except where a nondiscrimination clause required by a federal funding agency is used, the Sponsor shall insert the following nondiscrimination clause in each contract for construction of this project:

"During the performance of this contract, the contractor agrees to comply with all federal and state nondiscrimination laws, regulations and policies."

- B. **Secular Use of Funds.** No funds awarded under this grant may be used to pay for any religious activities, worship, or instruction, or for lands and facilities for religious activities, worship, or instruction. Religious activities, worship, or instruction may be a minor use of the grant supported recreation and conservation land or facility.
- C. **Wages and Job Safety.** The Sponsor agrees to comply with all applicable laws, regulations, and policies of the United States and the State of Washington or other jurisdiction which affect wages and job safety. The Sponsor agrees when state prevailing wage laws (RCW 39.12) are applicable, to comply with such laws, to pay the prevailing rate of wage to all workers, laborers, or mechanics employed in the performance of any part of this contract, and to file a statement of intent to pay prevailing wage with the Washington State Department of Labor and Industries as required by RCW 39.12.40. The Sponsor also agrees to comply with the provisions of the rules and regulations of the Washington State Department of Labor and Industries.
- D. **Archaeological and Cultural Resources.** RCO facilitates the review of applicable projects for potential impacts to archaeological sites and state cultural resources. The Sponsor must assist RCO in compliance with Governor's Executive Order 05-05 or the National Historic Preservation Act before and after initiating ground-disturbing activity or construction, repair, installation, rehabilitation, renovation, or maintenance work on lands, natural resources, or structures. The funding board requires documented compliance with Executive Order 05-05 or Section 106 of the National Historic Preservation Act, whichever is applicable to the project. If a federal agency declines to consult, the Sponsor shall comply with the requirements of Executive Order 05-05. In the event that archaeological or historic materials are discovered during project activities, work in the location of discovery and immediate vicinity must stop instantly, the area must be secured, and notification must be provided to the following: concerned Tribes' cultural staff and cultural committees, RCO, and the State Department of Archaeology and Historic Preservation. If human remains are discovered during project activity, work in the location of discovery and immediate vicinity must stop instantly, the area must be secured, and notification provided to the concerned Tribe's cultural staff and cultural committee, RCO, State Department of Archaeology, the coroner and local law enforcement in the most expeditious manner possible according to RCW 68.50.
- E. **Restrictions on Grant Use.** No part of any funds provided under this grant shall be used, other than for normal and recognized executive-legislative relationships, for publicity or propaganda purposes, or for the preparation, distribution, or use of any kit, pamphlet, booklet, publication, radio, television, or video presentation designed to support or defeat legislation pending before the U.S. Congress or any state legislature.
- No part of any funds provided under this grant shall be used to pay the salary or expenses of any Sponsor, or agent acting for such Sponsor, related to any activity designed to influence legislation or appropriations pending before the U.S. Congress or any state legislature.
- F. **Debarment and Certification.** By signing the Agreement with RCO, the Sponsor certifies that neither it nor its principals nor any other lower tier participant are presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this transaction by Washington State Labor and Industries. Further, the Sponsor agrees not to enter into any arrangements or contracts related to this Agreement with any party that is on Washington State Department of Labor and Industries' "Debarred Contractor List."

RECORDS

- A. **Digital Records.** If requested by RCO, the Sponsor must provide a digital file(s) of the project property and funded project site in a format specified by the RCO.
- B. **Maintenance.** The Sponsor shall maintain books, records, documents, data and other evidence relating to this Agreement and performance of the services described herein, including but not limited to accounting procedures and practices which sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this Agreement. Sponsor shall retain such records for a period of six years from the date RCO deems the project complete, as defined in the PROJECT REIMBURSEMENTS Section. If any litigation, claim or audit is started before the expiration of the six (6) year period, the records shall be retained until all litigation, claims, or audit findings involving the records have been resolved.
- C. **Access to Records and Data.** At no additional cost, the records relating to the Agreement, including materials generated under the Agreement, shall be subject at all reasonable times to inspection, review or audit by RCO, personnel duly authorized by RCO, the Office of the State Auditor, and federal and state officials so authorized by law, regulation or agreement. This includes access to all information that supports the costs submitted for payment under the grant and all findings, conclusions, and recommendations of the Sponsor's reports, including computer models and methodology for those models.
- D. **Public Records.** Sponsor acknowledges that the RCO is subject to RCW 42.56 and that this Agreement and any records Sponsor submits or has submitted to the State shall be a public record as defined in RCW 42.56. RCO administers public records requests per WAC 286-06 and 420-04 (which ever applies). Additionally, the Sponsor agrees to disclose any information in regards to the expenditure of that funding as if the project sponsor were subject to the requirements of chapter 42.56 RCW. By submitting any record to the State, Sponsor understands that the State may be requested to disclose or copy that record under the state public records law, currently codified at RCW 42.56. The Sponsor warrants that it possesses such legal rights as are necessary to permit the State to disclose and copy

such document to respond to a request under state public records laws. The Sponsor hereby agrees to release the State from any claims arising out of allowing such review or copying pursuant to a public records act request, and to indemnify against any claims arising from allowing such review or copying and pay the reasonable cost of state's defense of such claims.

PROJECT FUNDING

- A. **Authority.** This Agreement and funding is made available to Sponsor through the RCO.
- B. **Additional Amounts.** The RCO or Funding Entity shall not be obligated to pay any amount beyond the dollar amount as identified in this Agreement, unless an additional amount has been approved in advance by the RCO director and incorporated by written amendment into this Agreement.
- C. **Before the Agreement.** No expenditure made, or obligation incurred, by the Sponsor before the project start date shall be eligible for grant funds, in whole or in part, unless specifically provided for by the RCO director, such as a waiver of retroactivity or program specific eligible pre-Agreement costs. For reimbursements of such costs, this Agreement must be fully executed and an original received by RCO. The dollar amounts identified in this Agreement may be reduced as necessary to exclude any such expenditure from reimbursement.
- D. **Requirements for Federal Subawards.** Pre-Agreement costs before the federal award date in the FEDERAL FUND INFORMATION Section are ineligible unless approved by the federal award agency (2 C.F.R § 200.458 (2013)).
- E. **After the Period of Performance.** No expenditure made, or obligation incurred, following the period of performance shall be eligible, in whole or in part, for grant funds hereunder. In addition to any remedy the RCO or Funding Entity may have under this Agreement, the grant amounts identified in this Agreement shall be reduced to exclude any such expenditure from participation.

PROJECT REIMBURSEMENTS

- A. **Reimbursement Basis.** This Agreement is administered on a reimbursement basis per WAC 286-13 and/or 420-12, which ever has been designated to apply. Only the primary Sponsor may request reimbursement for eligible and allowable costs incurred during the period of performance. The primary Sponsor may only request reimbursement after (1) this Agreement has been fully executed and (2) the Sponsor has remitted payment to its vendors. RCO will authorize disbursement of project funds only on a reimbursable basis at the percentage as defined in the PROJECT FUNDING Section. Reimbursement shall not be approved for any expenditure not incurred by the Sponsor or for a donation used as part of its matching share. RCO does not reimburse for donations. All reimbursement requests must include proper documentation of expenditures as required by RCO.
- B. **Reimbursement Request Frequency.** The primary Sponsor is required to submit a reimbursement request to RCO, at a minimum for each project at least once a year for reimbursable activities occurring between July 1 and June 30 or as identified in the milestones. Sponsors must refer to the most recent applicable RCO manuals and this Agreement regarding reimbursement requirements.
- C. **Compliance and Payment.** The obligation of RCO to pay any amount(s) under this Agreement is expressly conditioned on strict compliance with the terms of this Agreement and other agreements between RCO and the Sponsor.
- D. **Retainage Held Until Project Complete.** RCO reserves the right to withhold disbursement of the total amount of the grant to the Sponsor until the project has been completed. A project is considered "complete" when:
 - 1. All approved or required activities outlined in the Agreement are done;
 - 2. On-site signs are in place (if applicable);
 - 3. A final project report is submitted to and accepted by RCO;
 - 4. Any other required documents and media are complete and submitted to RCO;
 - 5. A final reimbursement request is submitted to RCO;
 - 6. The completed project has been accepted by RCO;
 - 7. Final amendments have been processed;
 - 8. Fiscal transactions are complete, and

9. RCO has accepted a final boundary map of the project area for which the Agreement terms will apply in the future.
- E. **Requirements for Federal Subawards: Match.** The Sponsor's matching share must comply with 2 C.F.R. § 200.306 (2013). Any shared costs or matching funds and all contributions, including cash and third party in-kind contributions, can be accepted as part of the Sponsor's matching share when such contributions meet all of the following criteria:
1. Are verifiable from the non-Federal entity's (Sponsor's) records;
 2. Are not included as contributions for any other Federal award;
 3. Are necessary and reasonable for accomplishment of project or program objectives;
 4. Are allowable under 2 C.F.R. Part 200, Subpart E—Cost Principles (2013);
 5. Are not paid by the Federal Government under another Federal award, except where the Federal statute authorizing a program specifically provides that Federal funds made available for such program can be applied to matching or cost sharing requirements of other Federal programs;
 6. Are provided for in the approved budget when required by the Federal awarding agency identified in the FEDERAL FUND INFORMATION Section of this Agreement; and
 7. Conform to other provisions of 2 C.F.R. Part 200, Subpart D—Post Federal Award Requirements (2013), as applicable.
- F. **Requirements for Federal Subawards: Close out.** Per 2 C.F.R § 200.343 (2013), the non-Federal entity (Sponsor) must:
1. Submit, no later than 90 calendar days after the end date of the period of performance, all financial, performance, and other reports as required by the terms and conditions of the Federal award. The Federal awarding agency or pass-through entity (RCO) may approve extensions when requested by the Sponsor.
 2. Liquidate all obligations incurred under the Federal award not later than 90 calendar days after the end date of the period of performance as specified in the terms and conditions of the Federal award.
 3. Refund any balances of unobligated cash that the Federal awarding agency or pass-through entity (RCO) paid in advance or paid and that are not authorized to be retained by the non-Federal entity (Sponsor) for use in other projects. See OMB Circular A-129 and see 2 C.F.R § 200.345 Collection of amounts due (2013), for requirements regarding unreturned amounts that become delinquent debts.
 4. Account for any real and personal property acquired with Federal funds or received from the Federal Government in accordance with 2 C.F.R §§ 200.310 Insurance coverage through 200.316 Property rust relationship and 200.329 Reporting on real property (2013).

ADVANCE PAYMENTS

Advance payments of or in anticipation of goods or services are not allowed unless approved by the RCO director and are consistent with legal requirements and Manual 8: Reimbursements.

RECOVERY OF PAYMENTS

- A. **Recovery for Noncompliance.** In the event that the Sponsor fails to expend funds under this Agreement in accordance with state and federal laws, and/or the provisions of the Agreement, or meet its percentage of the project total, RCO reserves the right to recover grant award funds in the amount equivalent to the extent of noncompliance in addition to any other remedies available at law or in equity.
- B. **Overpayment Payments.** The Sponsor shall reimburse RCO for any overpayment or erroneous payments made under the Agreement. Repayment by the Sponsor of such funds under this recovery provision shall occur within 30 days of demand by RCO. Interest shall accrue at the rate of twelve percent (12%) per annum from the time that payment becomes due and owing.
- C. **Requirements for Federal Subawards.** RCO, acting as a pass-through entity, may impose any of the remedies as authorized in 2 C.F.R §§ 200.207 Specific conditions and/or 200.338 Remedies for noncompliance (2013).

COVENANT AGAINST CONTINGENT FEES

The Sponsor warrants that no person or selling agent has been employed or retained to solicit or secure this Agreement on an agreement or understanding for a commission, percentage, brokerage or contingent fee, excepting bona fide employees or

bona fide established agents maintained by the Sponsor for the purpose of securing business. RCO shall have the right, in the event of breach of this clause by the Sponsor, to terminate this Agreement without liability or, in its discretion, to deduct from the Agreement grant amount or consideration or recover by other means the full amount of such commission, percentage, brokerage or contingent fee.

INCOME (AND FEES) AND USE OF INCOME

- A. **Compatible source.** The source of any income generated in a funded project or project area must be compatible with the funding source and the Agreement and any applicable manuals, RCWs, and WACs.
- B. **Use of Income.** Subject to any limitations contained in applicable state or federal law and applicable rules and policies, income or fees generated at a project work site (including entrance, utility corridor permit, cattle grazing, timber harvesting, farming, etc.) during or after the reimbursement period cited in the Agreement, must be used to offset:
 - 1. The Sponsor's matching resources;
 - 2. The project's total cost;
 - 3. The expense of operation, maintenance, stewardship, monitoring, and/or repair of the facility or program assisted by the grant funding;
 - 4. The expense of operation, maintenance, stewardship, monitoring, and/or repair of other similar units in the Sponsor's system;
 - 5. Capital expenses for similar acquisition and/or development and renovation; and/or
 - 6. Other purposes explicitly approved by RCO.
- C. **Fees.** User and/or other fees may be charged in connection with land acquired or facilities developed, maintained, renovated, or restored and shall be consistent with the:
 - 1. Grant program laws, rules, and applicable manuals;
 - 2. Value of any service(s) furnished;
 - 3. Value of any opportunities furnished; and
 - 4. Prevailing range of public fees in the state for the activity involved.
- D. **Requirements for Federal Subawards.** Sponsors must also comply with 2 C.F.R. § 200.307 Program income (2013).

PROCUREMENT REQUIREMENTS

- A. **Procurement Requirements.** If the Sponsor has, or is required to have, a procurement process that follows applicable state and/or federal law or procurement rules and principles, it must be followed, documented, and retained. If no such process exists the Sponsor must follow these minimum procedures:
 - 1. Publish a notice to the public requesting bids/proposals for the project;
 - 2. Specify in the notice the date for submittal of bids/proposals;
 - 3. Specify in the notice the general procedure and criteria for selection; and
 - 4. Sponsor must contract or hire from within its bid pool. If bids are unacceptable the process needs to be repeated until a suitable bid is selected.
 - 5. Comply with the same legal standards regarding unlawful discrimination based upon race, gender, ethnicity, sex, or sex-orientation that are applicable to state agencies in selecting a bidder or proposer.

Alternatively, Sponsor may choose a bid from a bidding cooperative if authorized to do so.

This procedure creates no rights for the benefit of third parties, including any proposers, and may not be enforced or subject to review of any kind or manner by any entity other than the RCO. Sponsors may be required to certify to the RCO that they have followed any applicable state and/or federal procedures or the above minimum procedure where state or federal procedures do not apply.

B. Requirements for Federal Subawards.

1. For all Federal subawards, non-Federal entities (Sponsors) must follow 2 C.F.R §§ 200.318 General procurement standards through 200.326 Contract Provisions (2013).

TREATMENT OF EQUIPMENT AND ASSETS

Equipment shall be used and managed only for the purpose of this Agreement, unless otherwise provided herein or in the applicable manuals, or approved by RCO in writing.

- A. **Discontinued Use.** Equipment obtained under this Agreement shall remain in the possession of the Sponsor for the duration of the project, or RULES of applicable grant assisted program. When the Sponsor discontinues use of the equipment for the purpose for which it was funded, RCO may require the Sponsor to deliver the equipment to RCO, or to dispose of the equipment according to RCO published policies.
- B. **Loss or Damage.** The Sponsor shall be responsible for any loss or damage to equipment.
- C. **Requirements for Federal Subawards.** Procedures for managing equipment (including replacement equipment), whether acquired in whole or in part under a Federal award or match for the award, until disposition takes place will, at a minimum, meet the following requirements (2 C.F.R § 200.313 (2013)):
 1. Property records must be maintained that include a description of the property, a serial number or other identification number, the source of funding for the property (including the Federal Award Identification Number), who holds title, the acquisition date, and cost of the property, percentage of Federal participation in the project costs for the Federal award under which the property was acquired, the location, use and condition of the property, and any ultimate disposition data including the date of disposal and sale price of the property.
 2. A physical inventory of the property must be taken and the results reconciled with the property records at least once every two years.
 3. A control system must be developed to ensure adequate safeguards to prevent loss, damage, or theft of the property. Any loss, damage, or theft must be investigated.
 4. Adequate maintenance procedures must be developed to keep the property in good condition.
 5. If the non-Federal entity is authorized or required to sell the property, proper sales procedures must be established to ensure the highest possible return.

RIGHT OF INSPECTION

The Sponsor shall provide right of access to the project to RCO, or any of its officers, or to any other authorized agent or official of the state of Washington or the federal government, at all reasonable times, in order to monitor and evaluate performance, long-term obligations, compliance, and/or quality assurance under this Agreement. If a landowner agreement or other form of control and tenure has been executed, it will further stipulate and define the RCO's right to inspect and access lands acquired or developed with this funding assistance.

STEWARDSHIP AND MONITORING

Sponsor agrees to perform monitoring and stewardship functions as stated in the applicable WACs and manuals, this Agreement, or as otherwise directed by RCO consistent with the existing laws and applicable manuals. Sponsor further agrees to utilize, where applicable and financially feasible, any monitoring protocols recommended by the RCO; provided that RCO does not represent that any monitoring it may recommend will be adequate to reasonably assure project performance or safety. It is the sole responsibility of the Sponsor to perform such additional monitoring as may be adequate for such purposes.

ACKNOWLEDGMENT AND SIGNS

- A. **Publications.** The Sponsor shall include language which acknowledges the funding contribution of the applicable grant program to this project in any release or other publication developed or modified for, or referring to, the project during the project period and in the future.
- B. **Signs.**
 1. During the period of performance through the period of long-term obligation, the Sponsor shall post openly visible signs or other appropriate media at entrances and other locations on the project area that acknowledge the applicable grant program's funding contribution, unless waived by the director; and

2. During the period of long-term obligation, the Sponsor shall post openly visible signs or other appropriate media at entrances and other locations to notify the public of the availability of the site for reasonable public access.
- C. **Ceremonies.** The Sponsor shall notify RCO no later than two weeks before a dedication ceremony for this project. The Sponsor shall verbally acknowledge the applicable grant program's funding contribution at all dedication ceremonies.

PROVISIONS APPLYING TO ACQUISITION PROJECTS

The following provisions shall be in force:

- A. **Evidence of Land Value.** Before disbursement of funds by RCO as provided under this Agreement, the Sponsor agrees to supply documentation acceptable to RCO that the cost of the property rights acquired has been established according to all applicable manuals and RCWs or WACs.
- B. **Evidence of Title.** The Sponsor agrees to provide documentation that shows the type of ownership interest for the property that has been acquired. This shall be done before any payment of financial assistance.
- C. **Legal Description of Real Property Rights Acquired.** The legal description of the real property rights purchased with funding assistance provided through this Agreement (and protected by a recorded conveyance of rights to the State of Washington) shall be delivered to RCO before final payment.
- D. **Conveyance of Rights to the State of Washington.** When real property rights (both fee simple and lesser interests) are acquired, the Sponsor agrees to execute an appropriate document (provided or approved by RCO) conveying certain rights and responsibilities to RCO or the Funding Entity on behalf of the State of Washington or another agency of the state, or federal agency, or other organization. These documents include a Deed of Right, Assignment of Rights, Easements and/or Leases as described below. The Sponsor agrees to use document language provided by RCO, to record the executed document in the County where the real property lies, and to provide a copy of the recorded document to RCO. The document required will vary depending on the project type, the real property rights being acquired and whether or not those rights are being acquired in perpetuity.
 1. **Deed of Right.** The Deed of Right as described in RCO Manual #3 conveys to the people of the state of Washington the right to preserve, protect, access, and/or use the property for public purposes consistent with the funding source and project agreement. Sponsors shall use this document when acquiring real property rights that include the underlying land. This document may also be applicable for those easements where the Sponsor has acquired a perpetual easement for public purposes.
 2. **Assignment of Rights.** The Assignment of Rights as described in RCO Manual #3 document transfers certain rights to RCO and the state such as public access, access for compliance, and enforcement. Sponsors shall use this document when an easement or lease is being acquired under this Agreement. The Assignment of Rights requires the signature of the underlying landowner and must be incorporated by reference in the easement document.
 3. **Easements and Leases.** The Sponsor may incorporate required language from the Deed of Right or Assignment of Rights directly into the easement or lease document, thereby eliminating the requirement for a separate document. Language will depend on the situation; Sponsor must obtain RCO approval on the draft language prior to executing the easement or lease.
- E. **Real Property Acquisition and Relocation Assistance.** In the event that housing and relocation costs and procedures are required by local, state, tribal, or federal law, or rule; the Sponsor agrees to provide such housing and relocation assistance as a condition of the Agreement and receiving grant funds.
- F. **Buildings and Structures.** In general, grant funds are to be used for outdoor recreation, conservation, or salmon recovery. Sponsors agree to remove or demolish ineligible structures. Sponsor must consult with RCO regarding treatment of such structures and compliance with COMPLIANCE WITH APPLICABLE LAW SECTION, Archeological and Cultural Resources paragraph.
- G. **Hazardous Substances.**

 - a. No hazardous substances were found on the site, or
 - b. Any hazardous substances found have been treated and/or disposed of in compliance with applicable state and federal laws, and the site deemed "clean."

2. **Responsibility.** Nothing in this provision alters the Sponsor's duties and liabilities regarding hazardous substances as set forth in RCW 70.105D.
3. **Hold Harmless.** The Sponsor will defend, protect and hold harmless the State and any and all of its employees and/or agents, from and against any and all liability, cost (including but not limited to all costs of defense and attorneys' fees) and any and all loss of any nature from any and all claims or suits resulting from the presence of, or the release or threatened release of, hazardous substances on the property the Sponsor is acquiring, except to the extent, if any, that the State, its officers and agents caused or contributed to the release. The Funding Entity and RCO are included within the term State, as are all other agencies, departments, boards, councils, committees, divisions, bureaus, offices, societies, or other entities of state government.

LONG-TERM OBLIGATIONS OF THE PROJECTS AND SPONSORS

- A. **Long-Term Obligations.** Sponsor shall comply with the terms of this Agreement.

RCO requires that the project area continue to function as intended after the period of performance in perpetuity.
- C. **Conversion.** The Sponsor shall not at any time convert any real property (including any interest therein) or facility acquired, developed, renovated, and/or restored pursuant to this Agreement, unless provided for in applicable statutes, rules, and policies. Conversion includes, but is not limited to, putting such property to uses other than those purposes for which funds were approved or transferring such property to another entity without prior approval via a written amendment to the Agreement. All real property or facilities acquired, developed, renovated, and/or restored with funding assistance shall remain in the same ownership and in public use/access status in perpetuity unless otherwise expressly provided in the Agreement or applicable policy or unless a transfer or change in use is approved by the RCO through an amendment. Failure to comply with these obligations is a conversion. Further, if the project is subject to operation and/or maintenance obligations, the failure to comply with such obligations, without cure after a reasonable period as determined by the RCO, is a conversion. Determination of whether a conversion has occurred shall be based upon the terms of this Agreement, including without limitation all WACs and manuals deemed applicable and all applicable laws.

For acquisition projects that are expressly term limited in the Agreement, such as one involving a lease or a term-limited restoration, renovation or development project or easement, the restriction on conversion shall apply only for the length of the term, unless otherwise provided by this Agreement, any applicable manual or WAC, or any applicable state or federal law.

When a conversion has been determined to have occurred, the Sponsor is required to remedy the conversion per this Agreement and the applicable manuals, WACs and laws, and the RCO may pursue such remedies as the above allows.

In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-federal entity (Sponsor) must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week.

The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

Such lobbying includes any influence or attempt to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this project. Contractors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any federal contract, grant or any other award covered by 31 U.S.C. 1352. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 C.F.R part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.
- J. **Required Insurance.** The non-federal entity (Sponsor) must, at a minimum, provide the equivalent insurance coverage for real property and equipment acquired or improved with federal funds as provided to property owned by the non-federal entity. PROVISIONS FOR PUGET SOUND ACQUISITION AND RESTORATION PROJECTS

The following provisions shall be in force for this Agreement, funded in part or wholly from the Puget Sound Acquisition and Restoration program.

The Sponsor agrees to the following terms and conditions:

- A. **Cost Principles/Indirect Costs For State Agencies.** GRANT RECIPIENT agrees to comply with the cost principles of 2 CFR 200 Subpart E as appropriate to the award. - D. **Drug Free Workplace Certification.** Sub-recipient (Sponsor) shall make an ongoing, good faith effort to maintain a drug-free workplace pursuant to the specific requirements set forth in 2 C.F.R. Part 1536 Subpart B. Additionally, in accordance with these regulations, the recipient organization shall identify all known workplaces under its federal awards, and keep this information on file during the performance of the award. Sponsors who are individuals must comply with the drug-free provisions set forth in 2 C.F.R. Part 1536 Subpart C. The consequences for violating this condition are detailed under 2 C.F.R. - E. **Management Fees.** Management fees or similar charges in excess of the direct costs and approved indirect rates are not allowable. The term "management fees or similar charges" refers to the expenses added to direct costs in order to accumulate and reserve funds for ongoing business expenses, unforeseen liabilities or for other similar costs that are not allowable. Management fees or similar charges may not be used to improve or expand the project funded under this Agreement, except for the extent authorized as a direct cost of carrying out the scope of work.
- F. **Trafficking in Persons and Trafficking Victim Protection Act of 2000 (TVPA).** This provision applies only to a sub-recipient (Sponsor), and all sub-awardees of sub-recipient (Sponsor), if any. " The sub-recipient (Sponsor), and all sub-awardees of sub-recipient (Sponsor) must inform RCO immediately of any information you receive from any source alleging a violation of this prohibition during the award term.

The federal agency funding this Agreement may unilaterally terminate, without penalty, the funding award if this prohibition is violated, Section 106 of the Trafficking Victims Protection Act of 2000, as amended.

- G. **Lobbying.** The chief executive officer of this recipient agency (Sponsor) shall ensure that no grant funds awarded under this Agreement are used to engage in lobbying of the Federal Government or in litigation against the United States, unless authorized under existing law. The recipient (Sponsor) shall abide by its respective Cost Principles (OMB Circulars A-21, A-87, and A-122), which generally prohibits the use of federal grant funds for litigation against the United States, or for lobbying or other political activities.

The Sponsor agrees to comply with 40 C.F.R. Part 34, New Restrictions on Lobbying. Sponsor shall include the language of this provision in award documents for all sub-awards exceeding \$100,000, and require that sub-awardees submit certification and disclosure forms accordingly.

In accordance with the Byrd Anti-Lobbying Amendment, any Sponsor who makes a prohibited expenditure under 40 C.F.R. Part 34 or fails to file the required certification or lobbying forms shall be subject to a civil penalty of not less

- H. **Reimbursement Limitation.** If the Sponsor expends more than the amount of RCO funding in this Agreement in anticipation of receiving additional funds from the RCO, it does so at its own risk. RCO is not legally obligated to reimburse the Sponsor for costs incurred in excess of the RCO approved budget.
- I. **Disadvantaged Business Enterprise Requirements.** The Sponsor agrees to comply with the requirements of EPA's Utilization of Small, Minority and Women's Business Enterprises in procurements made under this award.
- J. **Minority and Women's Business Participation.** Sponsor agrees to solicit and recruit, to the maximum extent possible, certified minority owned (MBE) and women owned (WBE) businesses in purchases and contracts initiated after the effective date of this Agreement.

These goals are expressed as a percentage of the total dollars available for purchase or agreement and are as follows: Purchased Goods 8% MBE 4% WBE; Purchased Services 10% MBE 4% WBE; Professional Services 10% MBE 4% WBE.

Meeting these goals is voluntary and no agreement award or rejection shall be made based on achievement or non-achievement of the goals. Achievement of the goals is encouraged, however, and Sponsor and ALL prospective bidders or people submitting qualifications shall take the following affirmative steps in any procurement initiated after the effective date of this Agreement:

1. Include qualified minority and women's businesses on solicitation lists.
2. Assure that qualified minority and women's business are solicited whenever they are potential sources of services or supplies.
3. Divide the total requirements, when economically feasible, into smaller tasks or quantities, to permit maximum participation by qualified minority and women's businesses.
4. Establish delivery schedules, where work requirements permit, which will encourage participation of qualified minority and women's businesses.
5. Use the services and assistance of the State Office of Minority and Women's Business Enterprises (OMWBE) and the Office of Minority Business Enterprises of the U.S. Department of Commerce, as appropriate.

- K. **MBE/WBE Reporting.** In accordance with the deviation from 40 C.F.R. §33.502, signed November 8, 2013, DBE reporting is limited to annual reports and only required for assistance agreements where one or more the following conditions are met:

1. There are any funds budgeted in the contractual/services, equipment or construction lines of the award;
2. \$3,000 or more is included for supplies; or
3. There are funds budgeted for subawards or loans in which the expected budget(s) meet the conditions as
4. Described in items (a) and (b).

When completing the form, recipients (Sponsors) should disregard the quarterly and semi-annual boxes in the reporting period Section 1B of the form. For annual submissions, the reports are due by October 30th of each year or 90 days after the end of the project period, whichever comes first.

The reporting requirement is based on planned procurements. Recipients (Sponsors) with funds budgeted for non-supply procurement and/or \$3,000 or more in supplies are required to report annually whether the planned procurements take place during the reporting period or not. If no procurements take place during the reporting period, the recipient should check the box in Section 5B when completing the form.

MBE/WBE reports should be sent to the DBE Coordinator in the Sponsor's region. Contact information can be found at <http://www.epa.gov/osbp/contactpage.htm>. The coordinators also can answer any questions.

Final MBE/WBE reports must be submitted within 90 days after the project period of the grant ends. To be in compliance with regulations, the Sponsor must submit a final MBE/WBE report. Non-compliance may impact future competitive grant proposals. The current EPA Form 5700-52A can be found at the EPA Office of Small Business Program's Home Page at http://www.epa.gov/osbp/dbe_reporting.htm.

- L. **Procurement involving an EPA Financial Assistance Agreement.** Pursuant to 40 C.F.R. § 33.301, the Sponsor agrees to make the following six good faith efforts whenever procuring construction, equipment, services and supplies under an EPA financial assistance agreement, and to require that sub-recipients (Sponsors), and prime contractors also comply. Records documenting compliance with the six good faith efforts shall be retained:

1. Ensure Disadvantaged Business Enterprise (DBEs) are made aware of contracting opportunities to the fullest extent practicable through outreach and recruitment activities. For Indian Tribal, State and Local and Government Sponsors, this will include placing DBEs on solicitation lists and soliciting them whenever they are potential sources.
2. Make information on forthcoming opportunities available to DBEs and arrange time frames for contracts and establish delivery schedules, where the requirements permit, in a way that encourages and facilitates participation by DBEs in the competitive process. This includes, whenever possible, posting solicitations for bids or proposals for a minimum of 30 calendar days before the bid or proposal closing date.
3. Consider in the contracting process whether firms competing for large contracts could subcontract with DBEs. For Indian Tribal, State and local Government Sponsors, this will include dividing total requirements when economically feasible into smaller tasks or quantities to permit maximum participation by DBEs in the competitive process.
4. Encourage contracting with a consortium of DBEs when an agreement is too large for one of these firms to handle individually.
5. Use the services and assistance of the Small Business Administration (SBA) and the Minority Business Development of the Department of Commerce.
6. If the Sponsor awards subcontracts, require the Sponsor to take the steps in paragraphs (a) through (e) of this section.

- M. **Lobbying & Litigation.** By signing this Agreement, the Sponsor certifies that none of the funds received from this Agreement shall be used to engage in the lobbying of the Federal Government or in litigation against the United States unless authorized under existing law.

The chief executive officer of this Sponsor agency shall ensure that no grant funds awarded under this Agreement are used to engage in lobbying of the Federal Government or in litigation against the United States unless authorized under existing law. The Sponsor shall abide by its respective Attachment in 2 C.F.R. Part 200, which prohibits the use of federal grant funds for litigation against the United States or for lobbying or other political activities.

For subawards exceeding \$100,000, EPA requires the following certification and disclosure forms:

1. Certification Regarding Lobbying, EPA Form 6600-06:
http://www.epa.gov/ogd/AppKit/form/Lobbying_sec.pdf
2. Disclosure of Lobbying Activities, SF LLL: http://www.epa.gov/ogd/AppKit/form/sfillin_sec.pdf
3. Legal expenses required in the administration of Federal programs are allowable. Legal expenses for prosecution of claims against the Federal Government are unallowable.

- N. **Payment to Consultants.** EPA participation in the salary rate (excluding overhead) paid to individual consultants retained by recipients (Sponsors) or by a recipients' (Sponsor's) contractors or subcontractors shall be limited to the maximum daily rate for Level IV of the Executive Schedule (formerly GS-18), to be adjusted annually. This limit applies to consultation services of designated individuals with specialized skills who are paid at a daily or hourly rate. This rate does not include transportation and subsistence costs for travel performed (the recipient will pay these in accordance with his/her normal travel reimbursement practices).

Subagreements with firms for services that are awarded using the procurement requirements in 40 C.F.R. Parts 30 or 31, are not affected by this limitation unless the terms of the contract provide the recipient (Sponsor) with responsibility for the selection, direction and control of the individual who will be providing services under the contract at an hourly or daily rate of compensation. See 40 C.F.R. § 30.27(b) or 40 C.F.R. § 31.369(j), as applicable, for additional information.

As of January 1, 2014, the limit is \$602.24 per day \$75.28 per hour.

- O. **Peer Review.** Where appropriate, prior to finalizing any significant technical products the Principal Investigator (PI) of this project must solicit advice, review, and feedback from a technical review or advisory group consisting of relevant subject matter specialists. A record of comments and a brief description of how respective comments are addressed by the PI will be provided to the Project Monitor prior to releasing any final reports or products resulting from the funded study.
- P. **International Travel (Including Canada).** All International Travel must be approved by the US Environmental Protection Agency's Office of International and Tribal Affairs (OITA) BEFORE travel occurs. Even a brief trip to a foreign country, for example to attend a conference, requires OITA approval. Please contact your Partnership Project manager as soon as possible if travel is planned out of the country, including Canada and/or Mexico, so that they can submit a request to the EPA Project Officer if they approve of such travel.
- Q. **Unliquidated Obligations (ULO).** Sub-recipients, and all sub-awardees of Sub-Recipients, if any, should manage their agreement and subaward funding in ways that reduce the length of time that federal funds obligated and committed to subaward projects are unspent (not yet drawn down through disbursements to sub-recipients and sub-awardees).

TERMINATION AND SUSPENSION

The RCO will require strict compliance by the Sponsor with all the terms of this Agreement including, but not limited to, the requirements of the applicable statutes, rules, and RCO policies, and with the representations of the Sponsor in its application for a grant as finally approved by RCO. For federal awards, notification of termination will comply with 2 C.F.R. § 200.340.

A. For Cause.

1. The RCO director may suspend or terminate the obligation to provide funding to the Sponsor under this Agreement:
 - a. If the Sponsor breaches any of the Sponsor's obligations under this Agreement;
 - b. If the Sponsor fails to make progress satisfactory to the RCO director toward completion of the project by the completion date set out in this Agreement. Included in progress is adherence to milestones and other defined deadlines; or
 - c. If the primary and secondary Sponsor(s) cannot mutually agree on the process and actions needed to implement the project;
2. Prior to termination, the RCO shall notify the Sponsor in writing of the opportunity to cure. If corrective action is not taken within 30 days or such other time period that the director approves in writing, the Agreement may be terminated. In the event of termination, the Sponsor shall be liable for damages or other relief as authorized by law and/or this Agreement.
3. RCO reserves the right to suspend all or part of the Agreement, withhold further payments, or prohibit the Sponsor from incurring additional obligations of funds during the investigation of any alleged breach and pending corrective action by the Sponsor, or a decision by the RCO to terminate the Contract.

B. For Convenience. Except as otherwise provided in this Agreement, RCO may, by ten (10) days written notice, beginning on the second day after the mailing, terminate this Agreement, in whole or in part when it is in the best interest of the state. If this Agreement is so terminated, RCO shall be liable only for payment required under the terms of this Agreement prior to the effective date of termination. A claimed termination for cause shall be deemed to be a "Termination for Convenience" if it is determined that:

1. The Sponsor was not in default; or
2. Failure to perform was outside Sponsor's control, fault or negligence.

C. Rights of Remedies of the RCO.

1. The rights and remedies of RCO provided in this Agreement are not exclusive and are in addition to any other rights and remedies provided by law.
2. In the event this Agreement is terminated by the director, after any portion of the grant amount has been paid to the Sponsor under this Agreement, the director may require that any amount paid be repaid to RCO for redeposit into the account from which the funds were derived. However, any repayment shall be limited to the extent it would be inequitable and represent a manifest injustice in circumstances where the project will fulfill its fundamental purpose for substantially the entire period of performance and of long-term obligation.

D. Non Availability of Funds. The obligation of the RCO to make payments is contingent on the availability of state and federal funds through legislative appropriation and state allotment. If amounts sufficient to fund the grant made under this Agreement are not appropriated to RCO for expenditure for this Agreement in any biennial fiscal period, RCO shall not be obligated to pay any remaining unpaid portion of this grant unless and until the necessary action by the Legislature or the Office of Financial Management occurs. If RCO participation is suspended under this section for a continuous period of one year, RCO's obligation to provide any future funding under this Agreement shall terminate. Termination of the Agreement under this section is not subject to appeal by the Sponsor.

1. **Suspension:** The obligation of the RCO to manage contract terms and make payments is contingent upon the state appropriating state and federal funding each biennium. In the event the state is unable to appropriate such funds by the first day of each new biennium RCO reserves the right to suspend the Agreement, with ten (10) days written notice, until such time funds are appropriated. Suspension will mean all work related to the contract must cease until such time funds are obligated to RCO and the RCO provides notice to continue work.

DISPUTE HEARING

Except as may otherwise be provided in this Agreement, when a dispute arises between the Sponsor and the RCO, which cannot be resolved, either party may request a dispute hearing according to the process set out in this section. Either party's request for a dispute hearing must be in writing and clearly state:

- A. The disputed issues;
- B. The relative positions of the parties;
- C. The Sponsor's name, address, project title, and the assigned project number.

In order for this section to apply to the resolution of any specific dispute or disputes, the other party must agree in writing that the procedure under this section shall be used to resolve those specific issues. The dispute shall be heard by a panel of three persons consisting of one person chosen by the Sponsor, one person chosen by the director, and a third person chosen by the two persons initially appointed. If a third person cannot be agreed on, the persons chosen by the Sponsor and director shall be dismissed and an alternate person chosen by the Sponsor, and one by the director shall be appointed and they shall agree on a third person. This process shall be repeated until a three person panel is established.

Any hearing under this section shall be informal, with the specific processes to be determined by the disputes panel according to the nature and complexity of the issues involved. The process may be solely based on written material if the parties so agree. The disputes panel shall be governed by the provisions of this Agreement in deciding the disputes.

The parties shall be bound by the decision of the disputes panel, unless the remedy directed by that panel shall be without the authority of either or both parties to perform, as necessary, or is otherwise unlawful.

Request for a disputes hearing under this section by either party shall be delivered or mailed to the other party. The request shall be delivered or mailed within thirty (30) days of the date the requesting party has received notice of the action or position of the other party which it wishes to dispute. The written agreement to use the process under this section for resolution of those issues shall be delivered or mailed by the receiving party to the requesting party within thirty (30) days of receipt by the receiving party of the request.

All costs associated with the implementation of this process shall be shared equally by the parties.

ATTORNEYS' FEES

In the event of litigation or other action brought to enforce contract terms, each party agrees to bear its own attorney fees and costs.

GOVERNING LAW/VENUE

This Agreement shall be construed and interpreted in accordance with the laws of the State of Washington. In the event of a lawsuit involving this Agreement, venue shall be in Thurston County Superior Court if legally proper; otherwise venue shall be in a county where the project is situated, if venue there is legally proper, and if not, in a county where venue is legally proper. The Sponsor, by execution of this Agreement acknowledges the jurisdiction of the courts of the State of Washington.
