

**JEFFERSON COUNTY
BOARD OF COUNTY COMMISSIONERS**

WORKSHOP AGENDA REQUEST

TO: Board of County Commissioners

FROM: Mark McCauley, County Administrator

DATE: April 21, 2025

SUBJECT: Workshop: Public Facilities District

STATEMENT OF ISSUE:

The County had a Public Facilities District Public Hearing scheduled for April 14th that it ended up cancelling on Friday, April 11th. The hearing was cancelled due to the County's unsuccessful \$250,000 grant request to the state to fund an aquatic facility design. Without those funds, the County needs to regroup and consult with community partners in the Aquatic facility effort to discuss options and possible next steps.

ANALYSIS:

A brief discussion regarding the PFD occurred at the April 14th Board meeting. The Board committed to conducting a follow-on workshop the following week on April 21st.

The focus of the workshop will not be the JAC Survey results already presented on April 7th, but will focus on discussing options and possible next steps.

The County expects to have a separate workshop on the JAC Survey results in the coming weeks to respond to comments received on the Survey.

FISCAL IMPACT:

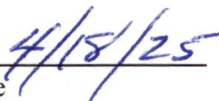

None.

RECOMMENDATION:

Conduct the workshop.
