Section 1. Intergovernmental Collaborative Group (ICG). The collective governing bodies of Jefferson County, the City of Port Townsend, the Port of Port Townsend and Jefferson County PUD, when meeting jointly for the purposes outlined in this resolution shall form the ICG. The express purpose of the ICG is to provide the forum within which community leaders from the County, City, Port and PUD may collaborate on significant issues of mutual importance. Those topics may include, but are not limited to, housing, economic development, infrastructure, including broadband, climate change, behavioral health and food security. The ICG may express shared opinions and positions of the four bodies, and advocate for the same. The ICG may not expend any money, own any property, or obligate any of the four entities in any way.

Section 2. Process. All meetings of the ICG will be subject to the Open Public Meetings Act, final actions will be taken by consensus, which is a majority of each of the governing bodies, a quorum is a majority of each of the four entities' elected officials, meeting procedures will be established by the group, and the duty of chairing the meeting will rotate among the entities' presiding officers, in order of formation.

Special meetings may be called in accordance with RCW 42.30.080 by agreement of the ICG at a properly noticed meeting, or by joint agreement of the presiding officers of the four entities.

The principal location and website for ICG notices is that of Jefferson County. Jefferson County maintains primary records to facilitate the management of the same records by the four agencies. The main website reflecting workplan and related documents is at www.jeffcotogether.net which is managed by PUD staff.

Section 4. Unless extended by the Parties through a new authorization, the last meeting of the ICG shall be completed no later than December 31, 2023.
