

**JEFFERSON COUNTY
BOARD OF COUNTY COMMISSIONERS**

AGENDA REQUEST

TO: Board of County Commissioners
Mark McCauley, County Administrator

FROM: Sophie DeGroot, Noxious Weed Control Coordinator

DATE: May 20, 2024

SUBJECT: Noxious Weed Control Contract with Washington State Parks

STATEMENT OF ISSUE:

The Jefferson County Noxious Weed Control Board (JCNWCB) has partnered with Washington State Parks to partner in the control of noxious weeds in order to protect the land, resources, and people from the impacts of noxious weeds. Noxious weeds not only pose a threat to the health of our environment and community, but are required for control by state law.

ANALYSIS:

State Parks are frequented by visitors all year round and can not only become a vector for the travel of seeds to other places, but a hotspot for new invaders to the county to get a foothold.

FISCAL IMPACT:

This amendment will increase the spending in 2024 and 2025 by \$3,000 to contribute to additional work at Fort Worden State Park to support past and current efforts to removing poison hemlock and other noxious weeds within the Park boundaries.

RECOMMENDATION:

I recommend the approval of this contract amendment by the Board of County Commissioners.

AGREEMENT NO. IA 325-060

THIS AGREEMENT is made and entered into by and between the Washington State Parks and Recreation Commission, hereinafter referred to as "State Parks," and Jefferson County Noxious Weed Control Board hereinafter referred to as the "County".

This agreement is authorized to be entered into through Chapter 39.34 RCW, the Interlocal Cooperation Act.

IT IS THE PURPOSE OF THIS AGREEMENT to provide the professional expertise that does not exist within the limited staff availability of State Parks and that the County can perform on a mutually beneficial basis.

THEREFORE, IT IS MUTUALLY AGREED THAT:

STATEMENT OF WORK

The County shall furnish the necessary personnel, equipment, material, and/or services and otherwise do all things necessary for or incidental to the performance of the work set forth below:

State Parks proposes to contract with the County to control noxious weed species as needed at parks located in Jefferson County.

State Parks and the county will confer and agree upon species and control approaches in advance of control treatments. Timing of control will be flexible and is dependent on weather and the appropriate growth state of each species. The county shall provide all necessary labor, equipment, materials, licensing, permitting, and reporting to complete weed control work on state park properties as requested. The county shall notify State Park's staff at least one week prior to conducting any work.

State Parks may provide support staff as possible. State Parks and the county may collaboratively map the distributions of the noxious weed species and conduct follow-up surveys to assess success rates.

PERIOD OF PERFORMANCE

Subject to its other provisions, the period of performance of this Agreement shall commence on the date of execution by the date of the last signing party, and be completed on December 31, 2026, unless terminated sooner as provided herein. 31000	\$17,760	Date of Execution to June 30, 2025

All books, records, documents, and other material relevant to this Agreement will be retained for six years after expiration and the Office of the State Auditor, federal auditors, and any persons duly authorized by the parties shall have full access and the right to examine any of these materials during this period.
