

**JEFFERSON COUNTY
BOARD OF COUNTY COMMISSIONERS**

CONSENT AGENDA REQUEST

TO: Board of County Commissioners

FROM: Mark McCauley, County Administrator

DATE: March 27, 2023

SUBJECT: Request for Board of County Commissioners approval of an American Rescue Plan Act (ARPA) Grant Agreement with The Olympic Housing Trust

STATEMENT OF ISSUE: On Monday, February 27, 2023 the Board of County Commissioners reviewed 48 ARPA grant proposals received from a variety of sources. These 48 proposals were submitted as a result of a BOCC "Last Call" for proposals as it sought to distribute \$834,718 in remaining ARPA funds (\$1.692 million in 2023 ARPA funds have yet to be received). The Board selected 17 projects for funding.

Each Commissioner scored each of the 48 projects individually. Their scores were consolidated in a spreadsheet and the projects were ranked using these consolidated scores. The Board discussed each project for the benefit of the public. The Commissioners then made funding allocations until all but \$718 of the funds were allocated and directed the County Administrator to prepare the appropriate grant agreements.

ANALYSIS: Olympic Housing Trust submitted a request for \$100,000 to help fund concrete and carpentry work for their Dundee Hill affordable housing project. The Board allocated \$80,000.

A grant agreement funding this project is attached.

FISCAL IMPACT: This request costs \$80,000 which will be paid using ARPA funds in Fund 123, Grants Management.

RECOMMENDATION: That the Board of County Commissioners approve the attached grant agreement.

GRANTEE AGREEMENT WITH THE OLYMPIC HOUSING TRUST

This Grantee Agreement ("Agreement") is by and between Jefferson County, a Washington political subdivision ("County") and the Olympic Housing Trust, ("Grantee").

WHEREAS, on March 11, 2021, President Biden signed the American Rescue Plan Act (ARPA) into law; and

WHEREAS, the ARPA has allocated funds to revenue sharing counties, of which Jefferson County is one; and

WHEREAS, revenue sharing ARPA funds may be used for any governmental purpose; and

WHEREAS, Grantee has requested ARPA funds to support their Dundee Hill affordable housing project offering 5 units for qualifying first-time homebuyers earning below 80% of the area's median income. The grant will help fund laying the unit foundations and framing, and

WHEREAS, the Jefferson County Board of Commissioners wishes to provide funding for this project and directed the County Administrator to bring forth a grant agreement to make said funds available to the Grantee:

NOW, THEREFORE, in consideration of the foregoing recitals, which are incorporated herein by reference, and the terms and conditions set forth below, the parties agree as follows:

Grant Amount and Grantee's Use of Grant Funds. The Grant amount is \$80,000. The Grant is to be used for the purposes outlined in Exhibit A. These grants funds may be made available contingent upon receipt of the second tranche of ARPA revenue sharing funds.

Reporting Requirements. Grantee will submit a report to the County following the completion of the project. The report will include information regarding the usage of the \$80,000 grant amount and the completed project.

Effective Date and Term. This Agreement shall commence on the date when last executed by the parties and remain in effect until the Grant is exhausted.

Termination. The County may terminate this Agreement, for convenience or otherwise and for no consideration or damages, upon prior notice to the Grantee.

Independent Grantee. Each party under this Agreement shall be for all purposes an independent Grantee. Nothing contained herein will be deemed to create an association, a partnership, a joint venture, or a relationship of principal and agent, or employer and employee between the parties. The Grantee shall not be, or be deemed to be, or act or purport to act, as an employee, agent, or representative of the County for any purpose.

Indemnification. The Grantee shall defend, indemnify and hold the County, its officers, officials, employees, agents and volunteers (and their marital communities) harmless from any claims, injuries, damages, losses or suits, including attorney's fees, arising out of or resulting from the

negligent acts, errors or omissions of the Grantee in performance of this Agreement, except for injuries and damages caused by the sole negligence of the County. Should a court of competent jurisdiction determine this Agreement is subject to RCW 4.24.115 if liability for damages occurs arising out of bodily injury to persons or damages to property caused by or resulting from the concurrent negligence of the Grantee and the County, its officers, officials, employees, agents and volunteers (and their marital communities) the Grantee's liability, including the duty and cost to defend, shall be only for the Grantee's negligence. It is further specifically understood that the indemnification provided constitutes the Grantee's waiver of immunity under Industrial Insurance, Title 51 RCW, solely for the purposes of this indemnification. This waiver has been mutually negotiated by the parties. This section shall survive the expiration or termination of this Agreement.

Required Liability Coverages. Prior to commencing work, the Grantee shall obtain at its own cost and expense the following coverage specified below either by a policy of insurance or by an agreement with a "Risk Pool" created pursuant to Ch. 48.62 RCW such as the Washington Cities Insurance Authority and shall keep such coverage in force during the terms of the Agreement.

Commercial Automobile Liability coverage providing bodily injury and property damage liability coverage for all owned and non-owned vehicles assigned to or used in the performance of the work for a combined single limit of not less than \$500,000 each occurrence in connection with the Consultant's performance of his Agreement. This coverage shall indicate on the certificate the following coverage: (a) Owned automobiles; (b) Hired automobiles; and, (3) Non-owned automobiles.

Commercial General Liability. Coverage in an amount not less than a single limit of \$1,000,000 per occurrence and an aggregate of not less than two (2) times the occurrence amount (\$2,000,000.00 minimum) for bodily injury, including death and property damage, unless a greater amount is specified in the contract specifications.

The commercial general liability coverage shall contain no limitations on the scope of the protection provided and include the following minimum coverage:

- a. Broad Form Property Damage, with no employee exclusion;
- b. Personal Injury Liability, including extended bodily injury;
- c. Broad Form Contractual/Commercial Liability – including coverage for products and completed operations;
- d. Premises – Operations Liability (M&C);
- e. Blanket Contractual Liability.

Such coverage shall be evidenced by one of the following methods: (a) Certificate of Coverage; or, (b) Self-insurance through an irrevocable Letter of Credit from a qualified financial institution.

The Grantee shall furnish the County with properly executed certificates of coverage that, at a minimum, shall include: (a) The limits of coverage; (b) The project name to which it applies; (c) The certificate holder as Jefferson County, Washington and its elected officials, officers, and

employees with the address of Jefferson County Risk Management, P.O. Box 1220, Port Townsend, WA 98368, and, (d) A statement that the coverage shall not be canceled or allowed to expire except on thirty (30) days prior written notice to the County. Certificates of coverage as required by this section shall be delivered to the County within fifteen (15) days of execution of this Agreement.

Failure of the Grantee to take out or maintain any required coverage shall not relieve the Grantee from any liability under this Agreement, nor shall the coverage requirements be construed to conflict with or otherwise limit the obligations concerning indemnification of the County.

The Grantee's insurers shall have no right of recovery or subrogation against the County (including its employees and other agents and agencies), it being the intention of the parties that the coverage, with the exception of Professional Liability coverage, so affected shall protect all the parties and shall be primary coverage for all losses covered by the above described insurance.

Insurance companies or risk pools issuing the Grantee's coverages shall have no recourse against the County (including its employees and other agents and agencies) for payment of any premiums or for assessments under any form of agreement providing coverage.

All deductibles in the Grantee's coverages shall be assumed by and be at the sole risk of the Grantee.

Any deductibles or self-insured retention shall be declared to and approved by the County prior to the approval of this Agreement by the County. At the option of the County, the insurer or risk pool shall reduce or eliminate deductibles or self-insured retention, or the Consultant shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.

Any judgments for which the County may be liable, in excess of insured amounts required by this Agreement, or any portion thereof, may be withheld from payment due, or to become due, to the Grantee until the Grantee shall furnish additional security covering such judgment as may be determined by the County.

Any coverage for third party liability claims provided to the County by a "Risk Pool" created pursuant to Ch. 48.62 RCW shall be non-contributory with respect to any coverage the Grantee shall provide to comply with this Agreement.

The County may, upon the Grantee's failure to comply with all provisions of this Agreement relating to coverage, withhold payment or compensation that would otherwise be due to the Grantee.

The Grantee shall provide a copy of all agreements providing any coverage specified in this Agreement.

Written notice of cancellation or change in the Grantee's coverage required by this Agreement shall reference the project name and agreement number and shall be mailed to the County at the following address: Jefferson County Risk Management, P.O. Box 1220, Port Townsend, WA 98368.

The Grantee's liability coverage shall be primary and noncontributory with respect to any insurance or self-insurance programs covering the County, its elected and appointed officers, officials, employees, and agents.

Any failure to comply with reporting provisions of any agreement providing coverage shall not affect coverage provided to the County, its officers, officials, employees, or agents.

The Grantee's coverage shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of liability.

The Grantee shall include all Sub-Grantees as persons covered under its coverages or shall furnish separate certificates and endorsements for each Sub-Grantee. All coverage for Sub-Grantees shall be subject to all the requirements stated in this Agreement.

The coverage limits mandated for any coverage required by this Agreement are not intended to be an indication of exposure nor are they limitations on indemnification.

The Grantee shall maintain all required coverages in force from the time services commence until services are completed. Certificates, coverages, and endorsements expiring before completion of services shall be promptly replaced. All the coverages required by this Agreement shall provide that thirty (30) days prior to cancellation, suspension, reduction or material change in the policy, notice of same shall be given to the County Risk Manager by registered mail, return receipt requested.

The Grantee shall place coverages with a "Risk Pool" created pursuant to Ch. 48.62 RCW or with insurers licensed to do business in the State of Washington and having A.M. Best Company ratings of no less than A-, with the exception that excess and umbrella coverage used to meet the requirements for limits of liability or gaps in coverage need not be placed with insurers or re-insurers licensed in the State of Washington.

The County reserves the right to request additional coverage on an individual basis for extra hazardous contracts and specific service agreements.

Worker's Compensation (Industrial Insurance).

If and only if the Consultant employs any person(s) in the status of employee or employees separate from or in addition to any equity owners, sole proprietor, partners, owners or shareholders of the Consultant, the Grantee shall maintain workers' compensation insurance at its own expense, as required by Title 51 RCW, for the term of this Agreement and shall provide evidence of coverage to Jefferson County Risk Management, upon request.

Worker's compensation insurance covering all employees with limits meeting all applicable state and federal laws. This coverage shall include Employer's Liability with limits meeting all applicable state and federal laws.

This coverage shall extend to any Sub-Grantee that does not have their own worker's compensation and employer's liability coverage.

The Grantee expressly waives by mutual negotiation all immunity and limitations on liability, with respect to the County, under any industrial insurance act, disability benefit act, or

other employee benefit act of any jurisdiction which would otherwise be applicable in the case of such claim.

If the County incurs any costs to enforce the provisions of this subsection, all cost and fees shall be recoverable from the Grantee.

Compliance with Laws. Guidelines. The Grantee shall comply with all federal, state, and local laws and all requirements (including certifications and audits), to the extent applicable, when seeking Reimbursement.

Maintenance and Audit of Records. The Grantee shall maintain records, books, documents, and other materials relevant to its performance under this Agreement. These records shall be subject to inspection, review and audit by the County or its designee, the Washington State Auditor's Office. If it is determined during the course of the audit that the Grantee was reimbursed for unallowable costs under this Agreement or any, the Grantee agrees to promptly reimburse the County for such payments upon request.

Any notice desired or required to be given hereunder shall be in writing, and shall be deemed received five (5) days after deposit with the U.S. Postal Service, postage fully prepaid, certified mail, return receipt requested, and addressed to the party to which it is intended at its last known address, or to such other person or address as either party shall designate to the other from time to time in writing forwarded in like manner:

For The Consideration of the Jefferson County Board of County Commissioners,

The Olympic Housing Trust's development on Dundee Hill is a new construction project in Port Townsend. Instigated by the Olympic Housing Trust (OHT), and inspired by a local property donor, the five new units proposed will be available to qualifying first-time homebuyers earning below 80% area median income. These homes will create a micro-neighborhood complete with an existing half-acre food bank community garden adjacent to the new development. Designed as multi-family condominiums, the development will offer two 2-bedroom units and 3 three-bedroom units with a projected occupancy of 16. The homes themselves have been designed to be compact, energy efficient, solar-ready, and compatible with environmental and aesthetic influences of the region. Now with the right partners lined up, OHT is ready to move ahead on this vision.

As a community land trust (CLT), the Olympic Housing Trust is focused on permanent affordability. Homebuyers own their homes while the CLT retains ownership of the land. Under their ground lease agreement homeowners agree that when or if they sell their home they do so at a price that is affordable to the next low-to moderate-income household. This is how we ensure generational affordability.

OHT has already secured the land and raised \$196,000, and is leveraging funds from public and private sponsors, as detailed in the budget. OHT is requesting funding of \$100,000 of Jefferson County's Last Call funds. This funding would be directed to fund OHT's Dundee Hill housing project by paying, in part, and depending on timing of allocation, costs associated with concrete work (foundations) and carpentry (rough framing) that would otherwise need to be raised in the capital campaign. The funding will fortify OHT's construction launch and reduce risk from lack of capital, as well as confidently showcase the County's support. As this funding will help defray the overall construction cost, if OHT is not fully funded at \$100,000, the project will still benefit at a lower amount. OHT has not been a recipient of past ARPA funds and has not been eligible to receive other housing related funding from Jefferson County in the past, despite the work to serve those in our workforce who cannot afford to live in our community. The Olympic Housing Trust seeks to make Dundee Hill the organization's flagship development in Jefferson County. Thank you.
