Save Rural Loudoun

December 4th, 2024

Dear Lovettsville Town Clerk and Planning Commission,

I am writing on behalf of the Board of Save Rural Loudoun to confirm that Scott Brainard will be providing public comments at the December 4th Planning Commission meeting on behalf of our organization.

Our organization advocates for balancing the needs of developers with the unintended impacts of development, and we believe that there is an aspect of the proposed Schoene subdivisions that is greatly in need of additional balancing.

Sincerely,

John Ellis
President, Board of Directors
Save Rural Loudoun
